DIGEST

SB 412 Original | 2018 Regular Session | White

Present law requires the owner, manager, or person in charge of a salvage pool or salvage disposal sale to keep a register of all sales of motor vehicles for three years from the date of sale, showing certain information pertaining to each motor vehicle in the register.

Proposed law retains present law and adds employee to those authorized to be record keepers.

Effective August 1, 2018.
