HB No. 327

Abstract: Extends the boundaries of the Alexandria Central Economic Development District.

Present law creates and provides for the Alexandria Central Economic Development District as a political subdivision of the state. Provides that the district is created for the primary purpose of redevelopment of the central business district. Provides that the district is governed by a board of nine commissioners.

Proposed law retains present law.

Present law provides that the district is coterminous with House of Representatives District No. 26 as the district may be established from time to time by legislative or judicial action. Provides however, that the district shall include only that area of the house district which is within the municipal boundaries of the city of Alexandria.

Proposed law retains present law but also provides that additional territory shall be included within the boundaries of the district. Provides boundary description.

Effective upon signature of governor or lapse of time for gubernatorial action.

(Amends R.S. 33:2740.46(B)(2))
