DIGEST

SB 170 Original | 2017 Regular Session | Barrow

Present law requires that student assessments and achievement growth data be used in the school and district accountability system. Also provides that the results from student assessments may be collected but not be used for purposes of evaluating teachers, schools, or districts during the 2016-2017 school year.

Proposed law retains present law and additionally provides that notwithstanding any provisions of law to the contrary, for the 2016-2017 school year, the results from student assessments shall not be used in a manner that negatively impacts pupil placement or progression or school or district performance scores or letter grades in a parish located in a gubernatorially or presidentially declared disaster area.

Effective upon signature of the governor or lapse of time for gubernatorial action.
