The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Thomas L. Tyler.

DIGEST

SCR 11 Original 2023 Regular Session Pope

Requests the commissioner of administration, through the office of state buildings, to implement expansion of the Louisiana Veterans Memorial Park under the Capitol Complex Master Plan, as envisioned in the Capitol Park Interpretive Plan particularly as it relates to the demolition of the old state insurance building parking garage, converting that space for additional planned parking space for Capitol Park visitors, and construction of a parking garage on the site of the existing surface parking lot between the Capitol Annex and the Claiborne Building.

Provides that a copy of the Resolution be transmitted to Commissioner of Administration, Jay Dardenne.
