DIGEST

SB 331 Original | 2026 Regular Session | Owen

Present law creates the Natural and Scenic Rivers System to protect, conserve, and replenish state water bodies and designates certain rivers, streams, and bayous that are part of the system.

Present law prohibits channelization, clearing and snagging, channel realignment and reservoir construction on water bodies in the system.

Proposed law retains present law and creates certain exceptions for the portion of the West Pearl River lying between Lock 1 and the Rigolets, from August 1, 2026, to August 1, 2033.

Effective August 1, 2026.
