Robideaux (HB 328) **Act No. 273**

Exiting law creates the Lafayette Parish Law Library Commission to establish, maintain and operate a law library for the use and benefit of the judiciary, the members of the bar, and the general public of Lafayette Parish. Provides for the membership and powers and duties of the commission.

Existing law requires that a fee be added to the initial cost of docketing all civil suits in Lafayette Parish and the sums collected be forwarded by the clerk of court to the library commission. Prior law required a fee of $4. New law increases the fee to $7.
