HB 633 Original

2018 Regular Session

Hunter

Abstract: Requires testing for elevated levels of lead in drinking water in state-owned, state-operated, or state-licensed facilities.

Proposed law requires the La. Dept. of Health, office of public health to perform a test, or assist in the performance of testing, for elevated levels of lead in drinking water, at least once a year, on all water supplies accessible by the public in all state-owned, state-operated, or state-licensed facilities.

Proposed law authorizes the Safe Drinking Water Fee to be used to implement and administer the provisions of proposed law.
