**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure. Proposed concurrent resolution suspends the cap of 10% of all funds used to purchase media advertisement that are used on in-state media purchases. The Department of Culture Recreation and Tourism reports this provision will not impact the expenditure budget for the Office of Tourism, but will allow it to expend a greater portion of its media allocation on in-state media advertising.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
