HB 15 Reengrossed

2020 Regular Session

Coussan

**Abstract:** Relative to the Municipal Employees' Retirement System (MERS) and the Parochial Employees' Retirement System (PERS), provides that certain employees of the Lafayette City-Parish Consolidated Government (LCG), first employed on or after Nov. 1, 2020, shall no longer be members of MERS but shall instead be members of PERS.

Present law, relative to MERS, provides that employees of participating incorporated cities, towns, or villages in La. shall be members of MERS.

Present law, relative to PERS, provides that any permanent employee of a parish shall be a member of PERS.

Present law, relative to both MERS and PERS, provides that if the governing authorities of a municipality and a parish consolidate into one government, those members who were members of MERS at the time of consolidation shall remain members of MERS. Those people employed after such consolidation shall become members of PERS.

Present law provides that notwithstanding present law, any employee of the LCG first employed on or after Nov. 1, 2010, who is in a department created by the LCG Home Rule Charter, except for police and firefighters, shall become a member of PERS. Present law also includes certain employees of the city court.

Proposed law, applicable to the same groups of Lafayette employees, provides that those hired on or after Nov. 1, 2020, shall become members of PERS instead of MERS.

Proposed law requires the LCG to remit payments to cover the unfunded accrued liability for each position covered by MERS on June 30, 2020, that is eliminated from system coverage after Oct. 30, 2020.
