A CONCURRENT RESOLUTION

WHEREAS, through the adoption of this Resolution, the Legislature of Louisiana hereby seeks to:

- (1) Preserve and enhance the availability of inpatient and outpatient hospital services for the citizens of Louisiana.
- (2) Preserve and protect rural hospitals as provided in the Rural Hospital Preservation Act, pursuant to R.S. 40:1189.1 et seq.
- (3) Enhance the stability of hospital funding by utilizing a fiscally-prudent healthcare driven solution that does not rely on the use of state general funds and provides a reliable and recurring source of funding for healthcare services.
- (4) Minimize the effects of shifting the cost of caring for those Louisiana residents who are uninsured to those who are able to obtain health insurance.
- (5) Create flexibility to design a plan to provide for more efficient and effective ways to maximize the state's use of monies currently expended for the provision of healthcare services to the state's low income and uninsured residents.

THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby enact the annual hospital stabilization formula pursuant to Article VII, Section 10.13 of the Constitution of Louisiana:

B. Payment of hospital reimbursement rates in an amount no less than the reimbursement rates in effect for dates of service on or after January 1, 2020.
