(2) The text of the proposed rule or amendment and the reason for the proposed rule.

(3) A request for comments on the proposed rule from any interested person.

(4) The manner in which interested persons may submit notice to the commission of their intention to attend the public hearing and any written comments.

F. Prior to the adoption of a proposed rule, the commission shall allow persons to submit written data, facts, opinions, and arguments, which shall be made available to the public.

G. The commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:
(1) At least twenty-five persons.

(2) A state or federal governmental subdivision or agency.

(3) An association having at least twenty-five members.

H. If a hearing is held on the proposed rule or amendment, the commission shall publish the place, time, and date of the scheduled public hearing. If the hearing is held via electronic means, the commission shall publish the mechanism for access to the electronic hearing.

(1) All persons wishing to be heard at the hearing shall notify the executive director of the commission or other designated member in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

(2) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(3) All hearings shall be recorded. A copy of the recording shall be made available on request.

(4) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.

I. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

J. If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with promulgation of the proposed rule without a public hearing.

K. The commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

L. Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for
comment, or hearing, provided that the usual rulemaking procedures provided
in the compact and in this section shall be retroactively applied to the rule as
soon as reasonably possible, in no event later than ninety days after the effective
date of the rule. For the purposes of this provision, an emergency rule is one
that must be adopted immediately in order to:

(1) Meet an imminent threat to public health, safety, or welfare.

(2) Prevent a loss of commission or member state funds.

(3) Meet a deadline for the promulgation of an administrative rule that
is established by federal law or rule.

M. The commission or an authorized committee of the commission may
direct revisions to a previously adopted rule or amendment for purposes of
correcting typographical errors, errors in format, errors in consistency, or
grammatical errors. Public notice of any revisions shall be posted on the website
of the commission. The revision shall be subject to challenge by any person for
a period of thirty days after posting. The revision may be challenged only on
grounds that the revision results in a material change to a rule. A challenge
shall be made in writing and delivered to the chair of the commission prior to
the end of the notice period. If no challenge is made, the revision shall take
effect without further action. If the revision is challenged, the revision may not
take effect without the approval of the commission.

SECTION 11. OVERSIGHT, DISPUTE RESOLUTION,
AND ENFORCEMENT

A. Dispute Resolution:

(1) Upon request by a member state, the commission shall attempt to
resolve disputes related to the compact that arise among member states and
between member and nonmember states.

(2) The commission shall promulgate a rule providing for both mediation
and binding dispute resolution for disputes as appropriate.

B. Enforcement:

(1) The commission, in the reasonable exercise of its discretion, shall
enforce the provisions and rules of this compact.

(2) By majority vote, the commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the commission has its principal offices against a member state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of litigation, including reasonable attorney's fees.

(3) The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

SECTION 12. DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR AUDIOLOGY AND SPEECH-LANGUAGE PATHOLOGY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

A. The compact shall come into effect on the date on which the compact statute is enacted into law in the tenth member state. The provisions, which become effective at that time, shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the compact.

B. Any state that joins the compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

C. Any member state may withdraw from this compact by enacting a statute repealing the same.

(1) A member state's withdrawal shall not take effect until six months after enactment of the repealing statute.
(2) Withdrawal shall not affect the continuing requirement of the withdrawing state's audiology or speech-language pathology licensing board to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

D. Nothing contained in this compact shall be construed to invalidate or prevent any audiology or speech-language pathology licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this compact.

E. This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

SECTION 13. CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any member state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any member state, the compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

SECTION 14. BINDING EFFECT OF COMPACT AND OTHER LAWS

A. Nothing herein prevents the enforcement of any other law of a member state that is not inconsistent with the compact.

B. All laws in a member state in conflict with the compact are superseded to the extent of the conflict.

C. All lawful actions of the commission, including all rules and bylaws promulgated by the commission, are binding upon the member states.
D. All agreements between the commission and the member states are binding in accordance with their terms.

E. In the event any provision of the compact exceeds the constitutional limits imposed on the legislature of any member state, the provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state.

Section 3. This Act shall become effective on July 1, 2021.
