"Vaginoplasty" means a surgical procedure to create or repair a vagina of an individual.

"Vasectomy" means a form of male sterilization.
(16) "Virilization" means a condition in which an individual develops characteristics associated with male hormones.

§1091.2. Child protection against puberty blocker agents

A. No person shall engage in, counsel, make a referral for, or cause any practice to be performed upon a minor if the practice performed is for the purpose of altering the appearance of or affirm a minor's gender or sex and the perception is inconsistent with the minor's sex unless the practice is authorized under the provision of Subsection (B) of this Section. The practices not to be performed shall include the following:

(1) Prescribing, dispensing, administering, or otherwise supplying a puberty blocker medication to stop or delay normal puberty.

(2) Prescribing, dispensing, administering, or otherwise supplying supraphysiologic doses of testosterone or other androgens to females.

(3) Prescribing, dispensing, administering, or otherwise supplying supraphysiologic doses of estrogen to males.

(4) Performing a surgery that sterilizes an individual by performing either castration, vasectomy, hysterectomy, oophorectomy, orchietomy, or penectomy.

(5) Performing a surgery that artificially constructs tissue with the appearance of genitalia that differs from the individual's sex to include metoidioplasty, phalioplasty, or vaginoplasty.

(6) Removing any healthy or non-diseased body part or tissue.

B. This Part shall not apply to a procedure to treat a minor who is born with a medically verifiable disorder of sexual development to include the following:

(1) A minor who is born with external biological sex characteristics that are ambiguous and the ambiguity is not resolvable.

(2) A minor who is born with either forty-six XX chromosomes with virilization, forty-six XY chromosomes with undervirilization, or having both ovarian and testicular tissue.
(3) A minor who has been diagnosed by a physician as having a disorder of sexual development and the physician has determined through genetic or biochemical testing that the person does not have either a normal sex chromosome structure, sex steroid hormone production, or sex steroid hormone action for a male or female.

§1091.3. Prohibited acts by school officials or personnel

A nurse, counselor, teacher, principal, or other administrative official at a public or private school attended by a minor is prohibited from doing either of the following acts:

(1) Encouraging or coercing a minor to withhold from his parent or legal guardian any information that suggest the minor's perception of the minor's gender or sex is inconsistent with the minor's sex.

(2) Withholding from a minor's parent or legal guardian information related to a minor's gender or sex that is inconsistent with the minor's sex.

§1091.4. Standard of care

Nothing in this Part shall establish a new or separate standard of care as defined in R.S. 40:1231.1(A)(22) for a healthcare provider who provides care to his patient.

§1091.5. Violations

Any person who violates this Part may, upon criminal conviction, be imprisoned, with or without hard labor, for not more than two years, and may be fined not more than ten thousand dollars.

HB 575 Original 2021 Regular Session Firment

Abstract: Prohibits the prescribing and dispensing of drugs to a minor which may alter his puberty.

Proposed law creates the "Vulnerable Child Protection Act".

CODING: Words in struck through type are deletions from existing law; words underscored are additions.
Proposed law provides definitions that shall be used throughout proposed law.

Proposed law provides that no person shall engage in, counsel, refer, or cause any practice to be performed upon a minor if the practice is performed for the purpose of altering the appearance or affirm a minor's gender or sex because perception is inconsistent with the minor's sex. The practices not to be performed shall include the following:

1. Prescribing, dispensing, administering, or otherwise supplying a puberty blocker medication to stop or delay normal puberty.

2. Prescribing, dispensing, administering, or otherwise supplying supraphysiologic doses of testosterone or other androgens to females.

3. Prescribing, dispensing, administering, or otherwise supplying supraphysiologic doses of estrogen to males.

4. Performing a surgery that sterilizes an individual by performing either castration, vasectomy, hysterectomy, oophorectomy, orchiectomy, or penectomy.

5. Performing a surgery that artificially constructs tissue with the appearance of genitalia that differs from the individual's sex to include metoidioplasty, phalioplasty, or vaginoplasty.

6. Removing any healthy or non-diseased body part or tissue.

Proposed law stipulates that the provisions of proposed law shall not apply to a procedure to treat a minor who is born with a medically verifiable disorder of sexual development which shall include the following instances:

1. A minor who is born with external biological sex characteristics that are ambiguous and the ambiguity is not resolvable.

2. A minor who is born with either forty-six XX chromosomes with virilization, forty-six XY chromosomes with undervirilization, or having both ovarian and testicular tissue.

3. A minor who has been diagnosed by a physician as having a disorder of sexual development which the physician has determined through genetic or biochemical testing that the person does not have either a normal sex chromosome structure, sex steroid hormone production, or sex steroid hormone action for a male or female.

Proposed law prohibits a nurse, counselor, teacher, principal, or other administrative personnel at a public or private school from doing any of the following to a minor:

1. Encouraging or coercing a minor to withhold from his parent or legal guardian any information that suggest the minor's perception of the minor's gender or sex is inconsistent with the minor's sex.

2. Withholding from a minor's parent or legal guardian information related to a minor's gender or sex that is inconsistent with the minor's sex.

Nothing in proposed law should alter the standard of care as provided for in present law for a healthcare provider who provides care to his patient.
Proposed law provides that any person who violates proposed law may, upon criminal conviction, be imprisoned, with or without hard labor, for not more than two years, and may be fined not more than $10,000.
