EXPENDITURE EXPLANATION

Proposed law will result in a significant SGF expenditure increase (estimated at \$450,100 annually) and a T.O. increase of up to four positions in the Executive Office to staff and operate the GOHTP to coordinate resources of public and private entities that develop, manage, operate, and support services and programs for human trafficking victims. Proposed law directs the office to provide the leadership and clerical, administrative, and technical assistance and support necessary for the LA Human Trafficking Prevention Commission and the Human Trafficking Prevention Commission Advisory Board to fulfill their duties.

The Executive Office reports it will require four (4) T.O. positions and corresponding personal services and operating expenditures to fulfill the requirements of proposed law. The Executive Office estimates annual SGF expenditures at \$450,100. The LFO cannot corroborate the workload detailed by the Executive Office. To the degree that staffing levels or job complexity/title needs are less than that estimated by the Executive Office, costs would decrease proportionally.

The operational and positions needed as reported by the Executive Office are delineated below:

- (1) Executive Director - annual salary of \$90,000 + \$44,815 (related benefits) = \$134,815
- (2) Program Manager - annual salary of \$50,000 + \$28,195 (related benefits) = \$78,195
- (3) Program Manager - annual salary of \$50,000 + \$28,195 (related benefits) = \$78,195
- (4) Program Manager - annual salary of \$50,000 + \$28,195 (related benefits) = \$78,195
- (5) Operating Services (\$6,300), Supplies (\$1,200) and Travel (\$15,500) = \$23,000
- (6) Professional Services for website maintenance = \$5,000
- (7) Professional Services for outside experts = \$45,000
- (8) Lease Computers, laptops, monitors, printers, OTS phones, etc = \$5,700
- (9) Office Furniture = \$2,000
