PART I-A. COLLABORATIVE PRACTICE AGREEMENTS

§941. Collaborative practice agreements; exemptions

A. As used in this Part, "board" means the Louisiana State Board of
Nursing.

B. Each nurse practitioner, clinical nurse specialist, and certified nurse
midwife who meets all of the following qualifications shall be exempt from any
requirement set forth in this Chapter to enter into a collaborative practice
agreement in order to perform advanced practice registered nursing:
(1) Currently holds unencumbered, unrestricted, and valid registered nurse and advanced practice registered nurse licenses in this state and is not subject to disciplinary proceedings for any of the grounds provided in R.S. 37:921.

(2) Has experience as recognized by the board to be no less than one thousand hours in collaborative practice.

(3) Has successfully completed academic coursework in physical assessment, advanced pharmacology, and advanced pathophysiology.

C.(1) The board shall have the exclusive and final authority to determine whether a nurse practitioner, clinical nurse specialist, or certified nurse midwife has met the qualifications required by Subsection B of this Section.

(2) Upon application of a nurse practitioner, clinical nurse specialist, or certified nurse midwife, if the board determines that all qualifications required by Subsection B of this Section have been met, the nurse practitioner, clinical nurse specialist, or certified nurse midwife shall not be required to enter into a collaborative practice agreement in order to perform advanced practice registered nursing.

(3)(a) The board shall issue to each nurse practitioner, clinical nurse specialist, and certified nurse midwife it deems to be qualified for the exemption provided for in this Section a certificate which bears all of the following:

(i) The name of the applicant.

(ii) The date of approval for the exemption.

(iii) A statement of reliance verifying the exemption.

(iv) The signature of a designee of the board, under the seal of the board.

(b) Each certificate issued in accordance with the provisions of this Paragraph shall be admissible as evidence in all state courts as verification of the exemption provided for in this Section without the necessity of a personal court appearance by any member of the board.

D. The board may revoke an exemption granted pursuant to this Section
at any time if it determines that an advanced practice registered nurse no longer meets the qualifications required by this Section.

E. The board shall promulgate all rules in accordance with the Administrative Procedure Act necessary to implement the provisions of this Part.

F. The board shall retain all necessary information regarding the number of nurse practitioners, clinical nurse specialists, and certified nurse midwives who meet the qualifications for exemptions in this Part. Three years after implementation of this Part, the board shall submit a written report providing a status update and review of implementation including information on complaints and any disciplinary action taken by the board to the Senate and House committees on health and welfare. The committees may convene for an oversight hearing of this report jointly or separately.

Section 2. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on the day following such approval.

DIGEST

SB 175 Original 2022 Regular Session Barrow

Present law defines "collaborative practice" as the joint management of the health care of a patient by an advanced practice registered nurse (APRN) and one or more consulting physicians or dentists. Present law requires an APRN to practice pursuant to a collaborative practice agreement. Proposed law establishes an exemption to the collaborative practice requirement.

Proposed law provides for the minimum qualifications for an APRN to be exempted from the collaborative practice requirement, including at least 1,000 hours of previous experience in a collaborative practice. Proposed law also provides for the duties and powers of the La. State Board of Nursing.

Three years after implementation of proposed law, the La. State Board of Nursing shall submit to the House and Senate committees on health and welfare a written report providing a status update and review of implementation.
Effective upon signature of governor or lapse of time for gubernatorial action.
