HB 249 Engrossed

2022 Regular Session

Wright

Abstract: Provides that blueprints, plans, and renderings of the interior of a port facility, of a facility on port property, and of port infrastructure are confidential.

Proposed law provides that blueprints, floor plans, and renderings of the interior of a port facility or of a facility on port property and blueprints, plans, or renderings of port infrastructure are confidential and not subject to inspection, examination, copying, or reproduction pursuant to present law (Public Records Law).

Proposed law provides that proposed law shall not prohibit the disclosure of a blueprint, floor plan, or other rendering of the interior of a port facility or of a facility on port property or a blueprint, plan, or rendering of port infrastructure to appropriate persons, if such disclosure is necessary or required for specified purposes.

Effective upon signature of governor or lapse of time for gubernatorial action.
