HB 278 Engrossed

2022 Regular Session

Echols

**Abstract:** Provides requirements for the Psychiatric Collaborative Care Model and requires mental health or substance abuse benefits for services delivered through the model.

Proposed law requires a health coverage plan delivered or issued for delivery in this state and any Medicaid state plan that provides mental health and substance abuse benefits to reimburse for services delivered through the Psychiatric Collaborative Care Model.

Proposed law requires any medical necessity determinations made by a health coverage plan or Medicaid state plan to be in compliance with certain federal and state law.

Proposed law defines "health coverage plan", "mental health or substance abuse benefits", and "Psychiatric Collaborative Care Model"

(Adds R.S. 22:1066.2)
