Abstract: Provides relative to the Fresh Start Proper Worker Classification Initiative and the Voluntary Disclosure Program.

VOLUNTARY DISCLOSURE PROGRAM

Present law provides definitions for applicant, application date, delinquent penalty, and look-back period.

Proposed law deletes the definition for delinquent penalty and adds definitions for commission, penalty, and secretary.

Present law provides that the Louisiana Voluntary Disclosure Program (the program) is established as a process of reporting undisclosed liabilities for withholding taxes administered by the La. Dept. of Revenue and unemployment taxes by the La. Workforce Commission (LWC) that would have been due for workers who were not classified as employees.

Proposed law deletes provisions relative to the reporting undisclosed liabilities for withholding taxes administered by the La. Dept. of Revenue.

Present law provides that the program authorizes taxpayers to anonymously enter into agreements and voluntarily pay taxes with no penalty.

Proposed law provides that the program authorizes taxpayers to confidentially enter into agreements and voluntarily pay unemployment taxes with no interest and without certain penalties.

Proposed law provides that the following employers shall not be eligible to participate in the program:

- (1) Employers who are currently under audit concerning the classification of the classes of workers by the Internal Revenue Service (IRS), the U.S. Dept. of Labor, or by a state government entity.
- (2) Employers who are contesting in court or in an administrative proceeding the classification of the class or classes of workers from a previous audit by the IRS, the U.S. Dept. of Labor, or the La. Dept. of Revenue, or LWC.

Proposed law provides that no worker that performs services that are statutorily excluded from the definition of covered employment provided for in present law shall be eligible for reclassification as an employee.

Proposed law provides that the provisions of proposed law shall not apply to any of the following:

- (1) Any service performed in the employ of a state, and political subdivision of the state, or of an Indian tribe, or any instrumentality of the state, any political subdivision of the state, or any Indian tribe, which is wholly owned by one or more states, political subdivisions, or Indian tribes, but only if the service is excluded from employment as defined in federal law.
- (2) Any service performed by an individual in the employ of a religious, charitable, educational, or other organization, but only if the service is excluded from employment as defined in federal law.

Present law provides that after all unemployment tax and interest due for the look-back period have been paid, the delinquent penalties shall be waived.

Proposed law provides that after all unemployment tax and penalties due for the look-back period have been paid, interest due provided for in present law shall be waived to the extent permitted by law. Proposed law further provides that no penalties provided for in present law or penalties related to fraud shall be waived.

Proposed law provides that waiver of unemployment interest shall not be available for the program when the employer has engaged in, is under audit for, or has a case on appeal pertaining to willfully misclassifying workers or when the employer is engaged in, under audit for, or has a case on appeal pertaining to State Unemployment Tax Act (SUTA) dumping provided for in present law.

Proposed law provides that employer liability for SUTA dumping penalties and fraud penalties shall not be waived under federal law under any circumstances.

FRESH START PROPER WORKER CLASSIFICATION INITIATIVE

Present law provides that the sharing or furnishing, in the discretion of the secretary of the La. Dept. of Revenue, of information to the LWC for the purposes of determining, investigating, or prosecuting fraud related to all areas administered by the LWC. Present law further provides that any information shared or furnished shall be considered and held confidential and privileged by the LWC.

Proposed law extends present law to include information that is disclosed on applications for the initiative to be considered and held confidential and privileged. Proposed law otherwise retains present law.

Proposed law provides definitions for applicant, application, application date, class of workers, commission, department, and secretary.

Proposed law provides that the Fresh Start Proper Worker Classification Initiative (the initiative) is optional and provides a taxpayer with an opportunity to voluntarily reclassify a worker as an employee for a future tax period. Proposed law further provides that in order to be eligible, a taxpayer shall meet all of the following requirements:

- (1) Apply to the Fresh Start Proper Worker Classification Initiative between Jan. 1, 2023, and Dec. 31, 2023.
- (2) Produce a certificate of proof of workers' compensation coverage for the employee.
- (3) Enter into a closing agreement with the La. Dept. of Revenue.

Proposed law provides that an eligible taxpayer that participates in the initiative agrees to prospectively treat the class of classes of workers identified in the application as employees for future tax periods and is not liable for any withholding tax or related interest and penalties with respect to any amounts paid to any workers before the date on which the taxpayer is accepted for participation in the initiative.

Proposed law provides that an eligible taxpayer shall not be entitled to any relief from unemployment tax, interest, or penalties pursuant to proposed law, but may seek relief in accordance with present law.

Proposed law provides that an eligible taxpayer may request that the LWC develop with the taxpayer a reasonable payment schedule for unemployment taxes owed for the look-back period. Proposed law further provides that payment of all outstanding unemployment liabilities shall not be required prior to acceptance of the taxpayer's application.

Proposed law provides that an eligible taxpayer that wishes to participate in the initiative shall submit an application for participation in the program to the department on a form prescribed by the secretary of the La. Dept. of Revenue. Proposed law further provides that La. Dept. of Revenue shall contact the taxpayer or authorized representative to complete the process once it has reviewed the application and verified the taxpayer's eligibility.

Proposed law provides that an accepted application constitutes a joint closing agreement between the taxpayer and the La. Dept. of Revenue.

Proposed law provides that the closing agreement shall become effective on the date that the taxpayer receives notice from the La. Dept. of Revenue that the taxpayer's application is accepted.

Proposed law provides that failure to comply with the terms of the closing agreement and proposed law may nullify the acceptance of the taxpayer's application. Proposed law further provides that if an acceptance is nullified, the taxpayer shall become liable for withholding tax, interest, and penalties determined to be due for prior periods.

Proposed law provides that the following employers shall not be eligible to participate in the

program:

- (1) Employers who are currently under audit concerning the classification of the classes of workers by the IRS, the U.S. Dept. of Labor, or by a state government entity.
- (2) Employers who are contesting in court the classification of the class or classes of workers from a previous audit by the IRS, the U.S. Dept. of Labor, the La. Dept. of Revenue, or LWC.
- (3) Employers who have withheld state income taxes from the amounts paid to any worker and who have not remitted the tax to the La. Dept. of Revenue.
- (4) For the purposes of proposed law, a taxpayer that is a member of an affiliated group defined under federal law shall be ineligible if any member of the affiliated group is under an employment, withholding, or unemployment tax audit.

Proposed law provides that the La. Dept. of Revenue shall have the authority to promulgate rules and regulations for the administration of the initiative. Proposed law further provides that the La. Dept. of Revenue shall promulgate rules and regulations establishing a voluntary disclosure program for reporting undisclosed liabilities for withholding taxes no later than July 1, 2023.
