Present constitution provides that 1/5 of the severance tax on all natural resources other than sulphur, lignite, or timber shall be remitted to the governing authority of the parish in which severance or production occurs. The initial maximum amount remitted to the parish in which severance or production occurs shall not exceed \$850,000.

Present constitution provides that the maximum amount remitted shall be increased each July 1, beginning in 2008, by an amount equal to the average annual increase in the
