**EXPENDITURE EXPLANATION:**

The proposed constitutional amendment is to require the legislature to provide for supplemental pay appropriations and to prohibit any reductions without the written consent of 2/3 of both houses of the legislature. The proposed amendment does not increase the amount of payments or alter any eligibility requirements, therefore, it creates no fiscal impact, as supplemental pay is fully funded at this time.

**REVENUE EXPLANATION:**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
