

Present constitution provides for the appointment of a member to the board of directors who is an agent licensed by the Dept. of Insurance to sell workers' compensation insurance within the state and who possesses executive level experience in the workers' compensation insurance field.

Proposed constitutional amendment changes present constitution by requiring that the member be selected from a list of three that is submitted by the board of directors of LWCC.

Present constitution provides for the appointment of one representative of insurers licensed by the Dept. of Insurance to issue workers' compensation insurance policies within the state who possesses executive level experience in the same field.

Proposed constitutional amendment changes the selection to two persons from a list of three submitted by the board who are residents of the state to represent the interest of citizens of the state at large.

Proposed constitutional amendment removes provision for the appointment of one representative of the state office of risk management.

Provides for submission of the proposed amendment to the voters at the gubernatorial primary election to be held in 2003.

(Amends Const. Art. XII, §8.1(C)(1)(f) and (g); Repeals Const. Art. XII, §8.1(C)(1)(h))
