A JOINT RESOLUTION

Proposing to amend Article VII, Section 21(H) of the Constitution of Louisiana, relative to ad valorem property tax exemptions; to authorize the State Board of Commerce and Industry to enter into tax exemption contracts, with a property owner proposing expansion, restoration, improvement, or redevelopment of an existing residential structure that is at least forty years old, certified as a blighted property located in Orleans Parish by the New Orleans Redevelopment Authority; to provide conditions for termination of such contracts; to provide for submission of the proposed amendment to the electors; and to provide for related matters.

Section 1. Be it resolved by the Legislature of Louisiana, two-thirds of the members elected to each house concurring, that there shall be submitted to the electors of the state of Louisiana, for their approval or rejection in the

1 manner provided by law, a proposal to amend Article VII, Section 21(H) of the
2 Constitution of Louisiana, to read as follows:

3 §21. Other Property Exemptions

4 Section 21.

6 (H)~~(1)~~ Notwithstanding any contrary provision of this
7 constitution, the State Board of Commerce and Industry or its
8 successor, with the approval of the governor and the local governing
9 authority and in accordance with procedures and conditions provided
10 by law, may enter into contracts granting to a property owner, who
11 proposes the expansion, restoration, improvement, or development of
12 an existing structure or structures in a downtown, historic, or economic
13 development district established by a local governing authority or in
14 accordance with law, the right for an initial term of five years after
15 completion of the work to pay ad valorem taxes based upon the
16 assessed valuation of the property for the year prior to the
17 commencement of the expansion, restoration, improvement, or
18 development. Contracts may be renewed, subject to the same
19 conditions, for an additional five years extending such right for a total
20 of ten years from completion of the work.

21 (2)(a) Notwithstanding any contrary provision of this
22 constitution, the State Board of Commerce and Industry or its
23 successor, with the approval of the governor and the local governing
24 authority and in accordance with procedures and conditions provided
25 by law, may enter into contracts granting to a property owner, who
26 proposes the expansion, restoration, improvement, or redevelopment of

1 an existing residential structure or structures in Orleans Parish that is
2 at least forty years old and certified as a blighted property by the New
3 Orleans Redevelopment Authority, or its successor, the right for a term
4 of five years after completion of the work and passing fire and safety
5 inspections to pay ad valorem taxes based on the assessed valuation of
6 the property prior to the commencement of the referenced property's
7 expansion, restoration, improvement, or redevelopment.

8 (b) Any contract entered into under this Subsection regarding
9 blighted property shall terminate if the structure's use is changed from
10 residential use to commercial use and the contract shall not take effect
11 until the property subject to the exemption is put into its intended use
12 and passes final safety and fire inspections.

14 Section 2. Be it further resolved that this proposed amendment shall be
15 submitted to the electors of the state of Louisiana at the gubernatorial primary
16 election to be held in 1999.

17 Section 3. Be it further resolved that on the official ballot to be used
18 at said election there shall be printed a proposition, upon which the electors
19 of the state shall be permitted to vote FOR or AGAINST, to amend the
20 Constitution of Louisiana, which proposition shall read as follows:

21 To authorize the State Board of Commerce and Industry, with
22 the approval of the governor and the local governing authority,
23 to enter into contracts granting to a property owner who
24 proposes the expansion, restoration, improvement, or
25 redevelopment of an existing residential structure or structures
26 in Orleans Parish that is at least forty years old and certified as

1 blighted property by the New Orleans Redevelopment
2 Authority, the right to pay ad valorem taxes based upon the
3 assessed valuation of the property for the year prior to the
4 commencement of the expansion, restoration, improvement, or
5 redevelopment, for a term of five years after completion of the
6 work, provides that the contract shall not take effect until the
7 property subject to the exemption is put into its intended use,
8 and passes final safety and fire inspections, provides for
9 termination of contract if use is changed from residential to
10 commercial. (Amends Article VII, Section 21(H))

HB No. 617

Present constitution authorizes the State Board of Commerce and Industry (the board), or its successor, subject to the approval of the governor and the local governing authority, to enter into contracts granting to a property owner, who proposes the expansion, restoration, improvement, or development of an existing structure or structures in a downtown, historic, or economic development district, the right for an initial term of five years after completion of the work to pay ad valorem taxes based upon the assessed valuation of the property for the year prior to the commencement of the expansion, restoration, improvement, or development. Such contracts may be renewed, subject to the same conditions, for an additional five years extending the right for a total of 10 years from completion of the work.

Proposed constitutional amendment retains present constitution and authorizes the board to enter into contracts granting to a property owner who proposes the expansion, restoration, improvement, or redevelopment of an existing residential structure or structures in Orleans Parish that are at least 40 years old and certified as a blighted property by the New Orleans Redevelopment Authority the right for five years after completion of the work and after the structure has passed fire and safety inspections to pay ad valorem taxes based upon the assessed valuation of the property for the year prior to the commencement of the expansion, restoration, improvement, or redevelopment.

Proposed constitutional amendment requires the structure to remain residential property for the contract to remain in force for the entire term and provides that the contract shall not take effect until the property subject to the exemption is put into its intended use and passes final safety and fire inspections.

Provides for submission of the proposed amendment to the voters at the gubernatorial primary election in 1999.

(Amends Const. Art. VII, §21(H))
