SCHOOLS/FINANCE

Purpose of Bill: Constitutional Amendment to grant the Zachary community school system in East Baton Rouge Parish the same authority granted to city and parish school systems.

ESTIMATED FISCAL IMPACT:

Table with 7 columns: EXPENDITURES, REVENUES, 1999-00, 2000-01, 2001-02, 2002-03, 2003-04, 5 YEAR TOTAL. Rows include State General Fd., Agy. Self-Gen., Stat. Deds./Other, Federal Funds, Local Funds, and Annual Total.

EXPLANATION OF ESTIMATES:

EXPENDITURES:

This bill will increase local expenditures. The start-up costs for the Zachary community school system in fiscal year 2000-01 is estimated at \$1,500,000. Major start-up costs would include administrative costs such as planning and the hiring of a superintendent, business officers, and other administrative personnel.

Additional local expenditures for general administration costs and an emergency fund for the Zachary community school system are estimated to be \$942,000 annually. This estimate is based on the assumption that current expenditures for instruction, student support, school administration, operations/maintenance, etc. in the Zachary schools do not constitute a new expenditure and will not change.

REVENUES:

There is no anticipated direct effect on revenues as a result of this measure. We assumed that the local sales and property taxes currently allocated to the EBR Parish School District for the Zachary schools will be reallocated to the Zachary community school system.
