<b>Subject:</b> Procedures in court of appeals for worker's comp cases		

COURTS OR NO IMPACT EX See Note Page 1 of 1  
Requires reargument before a 5-judge panel prior to reversal or modification of judgments rendered by office of workers' compensation when one judge of the original 3-judge panel dissents. (2/3-CA13s1(A))

Current Constitution: Civil matters that come before the three judge panel of the court of appeals shall be reargued before a panel of at least five judges if one of the original three judges dissents.

Proposed Constitution retains current law and would also include appeals of an administrative agency determination in a worker's compensation claim in the same review procedure. Upon passage, this measure will be placed on the November 2, 2010 ballot.
