Proposed Amd.:

Sub. Bill For.:

Date: June 17, 2010 2:04 PM	Author: MURRAY
Dept./Agy.: Louisiana Workforce Commission	Analyst: Deborah Vivien
Subject: Procedures in court of appeals for worker's comp cases	

COURTS EG1 NO IMPACT EX See Note Page 1 of 1

Requires reargument before a 5-judge panel prior to reversal or modification of judgments rendered by office of workers' compensation when one judge of the original 3-judge panel dissents. (2/3-CA13s1(A))

Current Constitution: Civil matters that come before the three judge panel of the court of appeals shall be reargued before a panel of at least five judges if one of the original three judges dissents.

Proposed Constitution retains current law and would also include appeals of an administrative agency determination in a worker's compensation claim in the same review procedure. Upon passage, this measure will be placed on the November 2, 2010 ballot.

EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. Administration of the Worker's Compensation Program will not require any change to current practice as a result of this measure. The Judicial Administrator's Office indicates that this legislation may require somewhat more time on the part of the court system, but will not likely require additional material expenses.

REVENUE EXPLANATION
