Proposed law requires persons who meet the definition of a dealer under proposed law to electronically file tax returns and remittances to the state and local taxing authorities.

Present law levies an additional 4% state sales and use tax to be collected only by dealers who qualify as a dealer in this state solely by virtue of engaging in regular or systematic solicitation of a consumer market in La. by the distribution of catalogs, periodicals, advertising fliers, or other advertising, or by means of print, radio, or telephone media, including but not limited to television shopping channels, by mail, telegraphy, telephone, computer database, cable optic, microwave, or other communication system.

Proposed law specifies that present law regarding the levy and collection of the additional 4% sales and use tax shall apply to persons who are defined as dealers pursuant to proposed law.

Provisions of proposed law apply prospectively.

Effective upon signature of governor or lapse of time for gubernatorial action.
