EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. According to the Office of Student Financial Assistance, TOPS award amounts are based on approved tuition charges at institutions and do not include mandatory fees. As such, imposition of this \$300 dental supply fee per year at the ULM dental hygiene program will have no impact on TOPS expenditures.

REVENUE EXPLANATION

The proposed legislation will increase self-generated revenues at ULM by an estimated \$83,100 per year based on 277 dental hygiene students at ULM paying the proposed \$300 annual fee (277 students X \$300 per student = \$83,100). This estimate does not assume any reductions in fees collected for hardship waivers, fee exemptions or other forms of student aid that might reduce the actual amounts collected.
