EXPENDITURE EXPLANATION

The proposed legislation may result in an indeterminable increase in state general fund expenditures if a person is convicted of nonconsensual disclosure of a private image and is sentenced to a maximum of 2 years of imprisonment.

SGF expenditures will increase by \$51.62 per offender per day if offenders are housed in state facilities and by \$24.39 for state offenders housed in local facilities. Offenders sentenced to the custody of the Department of Public Safety and Corrections for one year would increase SGF expenditures by \$18,841 (\$51.62 per day x 365 days) if housed in a state facility and \$8,902 (\$24.39 per day x 365 days) housed in local facilities. Approximately 50% of state offenders are housed in state facilities and approximately 50% of state offenders are housed in local facilities.

REVENUE EXPLANATION

The proposed legislation may result in an increase in revenue as result of potential fines. The fine assessed for the offense of nonconsensual disclosure of a private image is a maximum of \$10,000. This revenue change will impact the local governing authority.
