- (2) Seven members shall be appointed from the state at large in such manner as to provide that membership on the board will reflect the ethnic and cultural diversity of the population of the state and encourage statewide representation on the board.

Present law provides that each appointed member shall serve a term concurrent with the term of the lieutenant governor making the appointment.

Proposed law provides that the term of each appointment member shall be for four years.

Proposed law further provides that the appointments be staggered after the initial term. Initially, five members shall serve a term of one year; five members shall serve a term of two years; five members shall serve a term of three years; five members shall serve a term of four years, as determined by lot at the first meeting of the board.

Proposed law prohibits an appointed member from serving more than two consecutive terms. Requires the lieutenant governor to fill a vacancy within 30 days.

Proposed law requires the board to assist the secretary of CRT and assistant secretary in establishing fiscal policies, including but not limited to operational budgets and financial controls over existing

and new projects.

Present law provides that the board advise the secretary of CRT and the assistant secretary of the office of the state museum with respect to policies for the state museum.

Proposed law requires that the secretary of CRT and the assistant secretary of the office of the state museum consult with the board with respect to policy for the office of state museum.

Present law provides that the lieutenant governor appoint a professional director of the La. State Museum who shall have at least 10 years of experience in institutional administration and curatorship in a field related to the purposes and activities of the museum. Present law further provides that the director shall serve as the assistant secretary of the office of the state museum and that he shall serve at the pleasure of the lieutenant governor and receive such salary as fixed by the lieutenant governor. Present law further provides that the museum director serve as executive and administrative officer of the board and shall discharge all operational, maintenance, administrative, and executive functions of the board, subject to the control, jurisdiction, and supervision of the secretary of the department.

Proposed law provides that the museum director be appointed by the lieutenant governor from a list of three candidates nominated by a search committee appointed by the board. Proposed law further requires the lieutenant governor to make the appointment no later than 60 days after receiving the list of candidates from the search committee. Proposed law requires that the board establish criteria for the position of museum director that includes but is not limited to a master's degree in Museum Sciences, or a related field, and provide clear evidence of successful performance, with no fewer than 10 years experience as a skilled professional.

Proposed law provides for the director to serve as assistant secretary of the office of the state museum.

Proposed law provides that the salary of the director be paid by the department commensurate with the other assistant secretary positions and that the salary may be additionally supplemented beyond the normal amount by the board or Louisiana museum foundations as provided for in the Ethics Code.

Present law prohibits any public servant from receiving anything of economic value, other than compensation and benefits from the governmental entity to which he is duly entitled, for the performance of the duties and responsibilities of his office or position.

Present law authorizes that supplementary compensation or benefits provided to an employee of a public higher education institution, board, or system from funds or property accruing to the benefit of the institution, board, or system as approved by the appropriate policy or management board, through an alumni organization recognized by the management board of a college or university within the state or through a foundation organized by the alumni or other supportive individuals of a college or university within the state the charter of which specifically provides that the purpose of the foundation is to aid said college or university in a philanthropic manner shall be deemed for

purposes of present law as compensation and benefits from the government to which he is duly entitled.

Proposed law retains present law, and further authorizes that supplementary compensation or benefits provided to the director of the Louisiana State Museum as approved by the board of directors of the Louisiana State Museum through the board or a foundation organized to support any particular museum under the jurisdiction of the Louisiana State Museum whose charter specifically provides that the purpose of the foundation is to aid said museum in a philanthropic manner shall be deemed for purposes of present law as compensation and benefits from the government to which he is duly entitled.

Effective January 12, 2016.
