Requires passage of a test identical to the civics portion of the U.S. Naturalization Test to earn high school credit in Civics. (6/30/15)

Proposed legislation requires that beginning with the 2016-2017 school year, Civics curriculum shall contain a unit of study that includes civics related subject matter knowledge that naturalized citizens are required to demonstrate. Further, that students shall be administered a test based upon the civic portion of the naturalization test used by the U.S. Citizenship and Immigration Services to survey their knowledge of the history, principles, and form of U.S. government. Requires BESE to promulgate rules to implement the provisions of the proposed legislation. Effective upon governor's signature.

EXPENDITURE EXPLANATION

There is no anticipated material impact to expenditures of local school boards and other Local Educational Authorities to revise civics curricula and administer related tests. School districts should not experience additional expenses in developing and administering the test as full naturalization test questions and answers from prior years are readily available on the internet for use and adaptation in meeting the requirements of this bill.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
