

RÉSUMÉ DIGEST

SCR 92

2015 Regular Session

Erdey

Directs the State Board of Elementary and Secondary Education and the state Department of Education (DOE) to establish policies and procedures to evaluate the school bus driver training curricula utilized by private providers and to certify such providers to deliver required training to school bus drivers, provided their curriculum includes the training and topics covered by the curriculum developed by the department. Provides that such policies and procedures be posted on the DOE website. Requires DOE to submit a written report to the Senate and House committees on education, not later than 10/1/2015, which shall include a copy of the policy and procedures so developed.
