Requires sellers of motion picture investor tax credits to qualify for and be included in a Public Registry of Motion Picture Investor Tax Credit Brokers. (1/1/16)

Proposed law creates a Motion Picture Broker Registry required for any person selling or brokering motion picture tax credits. The registry will be created and maintained by the Department of Revenue (LDR) and made available publicly on its website. Broker qualifications include no prior convictions for matters related to tax, credit or fraud, and prohibit registration by a family member of an Office of Entertainment Industry Development (OEID) or LDR employee or those employed by OEID in the prior 2 years. Registrants must submit and pay for a criminal background check by the Louisiana Bureau of Criminal Identification and Information, who will also query the Federal Bureau of Investigation. A person selling or brokering film tax credits without registering shall be fined up to \$10,000 or imprisoned for 5 years or both with full restitution for any financial loss as a result of not registering. The Department of Revenue may promulgate rules.

Effective January 1, 2016

**EXPENDITURE EXPLANATION**

The Department of Revenue (LDR) indicates that 1 new position will be required at a total expense of about \$60,000 per year to create, maintain and publish the registry. Any expenses will require additional funding should the fees associated with the registry, as promulgated by rule, not offset the full expense. For this note, the means of finance is SGF in the absence of other known resources.

**REVENUE EXPLANATION**

The bill does not change the availability of film credits or the means by which they are claimed. The bill may allow a more thorough screening process under which some film credits may not change hands, though there is no way to determine whether this action would prevent the transfer or force the transfer through other means. Thus, there is no direct revenue impact associated with this bill as it appears to be a measure more in keeping the program participants in good standing than disqualifying credits.
