5           to sinking, insurance, investment, retirement, compensation, pension and trust funds,  
6           and funds held on deposit, for the purchase of any such bonds or other obligations  
7           of the district and to provide that any such bonds shall be authorized security for all  
8           public deposits; however, nothing contained in this Subsection with regard to legal  
9           investments or security for public deposits shall be construed as relieving any such  
10           person, firm, corporation, or other entity from any duty of exercising reasonable care  
11           in selecting securities.

12           §130.867. Liberal construction
