

RÉSUMÉ DIGEST

SCR 65

2016 Regular Session

Mills

Creates the Task Force on Meaningful Oversight to review current law on professional healthcare licensing board oversight by the Department of Health and Hospitals and make recommendations to the legislature on laws required to ensure compliance with *North Carolina State Board of Dental Examiners v. Federal Trade Commission*, 135 S.Ct. 1101(2015). Requires report to the Senate and House health and welfare committees on or before January 1, 2017.
