§1223.4. Telehealth; rulemaking required

A. Each state agency or professional or occupational licensing board or commission that regulates the practice of a healthcare provider, as defined in this Part, may promulgate, in accordance with the Administrative Procedure Act, any rules necessary to provide for, promote, and regulate the use of telehealth in the delivery of healthcare services within the scope of practice regulated by the licensing entity. However, any rules and regulations shall be consistent with and no more restrictive than the provisions contained in this Section.

§1223.5. Venue; telehealth and telemedicine

Venue in any suit filed involving care rendered via telehealth pursuant to the provisions of this Part or telemedicine pursuant to the provisions of R.S. 37:1271(B) shall be proper and instituted before the district court of the judicial district in which the patient resides or in the district court having jurisdiction in the parish where the patient was physically located during the provision of the telehealth or telemedicine service. The patient is considered physically located at the originating site as defined in R.S. 40:1223.3.

Section 3. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on the day following such approval.

SPEAKER OF THE HOUSE OF REPRESENTATIVES
