1 would be detrimental to the state. The Joint Legislative Committee on the Budget shall be
2 notified in writing of such declaration and shall meet to consider such action, but if it is
3 found by the committee that such funds were not needed for an emergency expenditure, such
4 approval may be withdrawn and any balance remaining shall not be expended.

5 Section 3.A. Notwithstanding any other law to the contrary, the functions of any
6 department, agency, program, or budget unit of the executive branch, except functions in
7 departments, agencies, programs, or budget units of other statewide elected officials, may
8 be transferred to a different department, agency, program, or budget unit for the purpose of
9 economizing the operations of state government by executive order of the governor.
10 Provided, however, that each such transfer must, prior to implementation, be approved by
11 the commissioner of administration and Joint Legislative Committee on the Budget. Further,
12 provided that no transfers pursuant to this Section shall violate the provisions of Title 36,
13 Organization of the Executive Branch of State Government.

14 B. In the event that any agency, budget unit, program, or function of a department is
15 transferred to any other department, agency, program, or budget unit by other Act or Acts
16 of the legislature, the commissioner of administration shall make the necessary adjustments
17 to appropriations through the notification of appropriation process, or through approval of
18 mid-year adjustments. All such adjustments shall be in strict conformity with the provisions
19 of the Act or Acts which provide for the transfers.

20 C. Notwithstanding any other law to the contrary and before the commissioner of
21 administration shall authorize the purchase of any luxury or full-size motor vehicle for
22 personal assignment by a statewide elected official other than the governor and lieutenant
23 governor, such official shall first submit the request to the Joint Legislative Committee on
24 the Budget for approval. "Luxury or full-sized motor vehicle" shall mean or refer to such
25 vehicles as defined or used in rules or guidelines promulgated and implemented by the
26 Division of Administration.

27 D. Notwithstanding any provision of law to the contrary, each agency which has
28 contracted with outside legal counsel for representation in an action against another agency,
29 shall submit a detailed report of all litigation costs incurred and payable to the outside
30 counsel to the commissioner of administration, the legislative committee charged with
31 oversight of that agency, and the Joint Legislative Committee on the Budget. The report

1 shall be submitted on a quarterly basis, each January, April, July, and October, and shall
2 include all litigation costs paid and payable during the prior quarter. For purposes of this
3 Subsection, the term "litigation expenses" shall mean court costs and attorney fees of the
4 agency and of the other party if the agency was required to pay such costs and fees. The
5 commissioner of administration shall not authorize any payments for any such contract until
6 such report for the prior quarter has been submitted.

7 E. Notwithstanding any provision of law to the contrary, each agency may use a portion
8 of its appropriations contained in this Act for the expenditure of funds for salaries and
9 related benefits for smoking cessation wellness programs, including pharmacotherapy and
10 behavioral counseling for state employees of the agency.

11 Section 4. Each schedule as designated by a five-digit number code for which an
12 appropriation is made in this Act is hereby declared to be a budget unit of the state.

13 Section 5.A. The program descriptions, account descriptions, general performance
14 information, and the role, scope, and mission statements of postsecondary education
15 institutions contained in this Act are not part of the law and are not enacted into law by
16 virtue of their inclusion in this Act.

17 B. All key and supporting performance objectives and indicators for the departments,
18 agencies, programs, and budget units contained in the Governor's Executive Budget
19 Supporting Document shall be adjusted by the commissioner of administration to reflect the
20 funds appropriated therein. The commissioner of administration shall report on these
21 adjustments to the Joint Legislative Committee on the Budget by August 12, 2016.

22 C. The discretionary and nondiscretionary allocations contained in this Act are provided
23 in accordance with R.S. 39:51(A)(3) and are to provide information to assist in legislative
24 decision making and shall not be construed to limit the expenditures or means of financing
25 of an agency, budget unit, or department to the discretionary or nondiscretionary amounts
26 contained in this Act.

27 D. The expenditure category allocations contained in this Act are provided in
28 accordance with R.S. 39:51(C) and are to provide information to assist in legislative decision
29 making and shall not be construed to limit the expenditures or means of financing of an
30 agency, budget unit, or department to the expenditure category amounts contained in this
31 Act.

1 Section 6.A. Unless expressly provided in this Act, funds cannot be transferred between
2 departments or schedules receiving appropriations. However, any unencumbered funds
3 which accrue to an appropriation within a department or schedule of this Act due to policy,
4 programmatic, or cost-saving/avoidance measures may, upon approval by the commissioner
5 of administration and the Joint Legislative Committee on the Budget, be transferred to any
6 other appropriation within that same department or schedule. Each request for the transfer
7 of funds pursuant to this Section shall include full written justification. The commissioner
8 of administration, upon approval by the Joint Legislative Committee on the Budget, shall
9 have the authority to transfer between departments funds associated with lease agreements
10 between the state and the Office Facilities Corporation.

11 B. In conjunction with the continuing assessment of the existing staff, assets, contracts,
12 and facilities of each department, agency, program or budget unit's information technology
13 resources, procurement resources, and human capital resources, upon completion of this
14 assessment and to the extent optimization of these resources will result in the projected cost
15 savings through staff reductions, realization of operational efficiencies, cost avoidance, and
16 elimination of asset duplication, the commissioner of administration is authorized to transfer
17 the functions, positions, assets, and funds from any other department, agency, program, or
18 budget units related to these optimizations to a different department. The provisions of this
19 Subsection shall not apply to the Department of Culture, Recreation and Tourism, or any
20 agency contained in Schedule 04, Elected Officials.

21 C. The commissioner of administration shall review all existing leases for office and
22 warehouse space and compare the rent per square foot of such space to the market rent of
23 similar space in the same market. The commissioner of administration is authorized and
24 directed to renegotiate all leases that are in excess of the market rent to bring the rent in line
25 with the market rent. The commissioner of administration, upon approval of the Joint
26 Legislative Committee on the Budget, shall have the authority to transfer between
27 departments funds from any savings from renegotiated leases.

28 Section 7. The state treasurer is hereby authorized and directed to use any available
29 funds on deposit in the state treasury to complete the payment of General Fund
30 appropriations for the Fiscal Year 2015-2016. In order to conform to the provisions of P.L.
31 101-453, the Cash Management Improvement Act of 1990, and in accordance with the

1 agreement executed between the state and Financial Management Services, a division of the
2 U.S. Treasury, the state treasurer is hereby authorized to release checks drawn on federally
3 funded appropriations prior to the receipt of funds from the U.S. Treasury.

4 Section 8.A.(1) The figures in parentheses following the designation of a program are
5 the total authorized positions and authorized other charges positions for that program. If
6 there are no figures following a department, agency, or program, the commissioner of
7 administration shall have the authority to set the number of positions.

8 (2) The commissioner of administration, upon approval of the Joint Legislative
9 Committee on the Budget, shall have the authority to transfer positions between departments,
10 agencies, or programs or to increase or decrease positions and associated funding necessary
11 to effectuate such transfers.

12 (3) The number of authorized positions and authorized other charges positions approved
13 for each department, agency, or program as a result of the passage of this Act may be
14 increased by the commissioner of administration in conjunction with the transfer of
15 functions or funds to that department, agency, or program when sufficient documentation
16 is presented and the request deemed valid.

17 (4) The number of authorized positions and authorized other charges positions approved
18 in this Act for each department, agency, or program may also be increased by the
19 commissioner of administration when sufficient documentation of other necessary
20 adjustments is presented and the request is deemed valid. The total number of such positions
21 so approved by the commissioner of administration may not be increased in excess of three
22 hundred fifty. However, any request which reflects an annual aggregate increase in excess
23 of twenty-five positions for any department, agency, or program must also be approved by
24 the Joint Legislative Committee on the Budget.

25 B. Orders from the Civil Service Commission or its designated referee which direct an
26 agency to pay attorney fees for a successful appeal by an employee may be paid out of an
27 agency's appropriation from the expenditure category professional services; provided,
28 however, that an individual expenditure pursuant to this Subsection may not exceed \$1,500
29 in accordance with Civil Service Rule 13.35(a).

30 C. The budget request of any agency with an appropriation level of thirty million dollars
31 or more shall include, within its existing table of organization, positions which perform the

1 function of internal auditing, including the position of a chief audit executive. The chief
2 audit executive shall be responsible for ensuring that the internal audit function adheres to
3 the Institute of Internal Auditors, International Standards for the Professional Practice of
4 Internal Auditing. The chief audit executive shall maintain organizational independence in
5 accordance with these standards and shall have direct and unrestricted access to the
6 commission, board, secretary, or equivalent head of the agency. The chief audit executive
7 shall certify to the commission, board, secretary, or equivalent head of the agency that the
8 internal audit function conforms to the Institute of Internal Auditors, International Standards
9 for the Professional Practice of Internal Auditing

10 D. In the event that any cost assessment allocation proposed by the Office of Group
11 Benefits becomes effective during Fiscal Year 2016-2017, each budget unit contained in this
12 Act shall pay out of its appropriation an amount no less than 75% of total premiums for all
13 active employees and those retirees with Medicare in accordance with R.S. 42:851(D)(1) for
14 the state basic health insurance indemnity program.

15 E. In the event that any cost allocation or increase recommended by the Public
16 Retirement Systems' Actuarial Committee through adoption of a valuation submitted to the
17 Joint Legislative Committee on the Budget and the House and Senate committees on
18 retirement becomes effective before or during Fiscal Year 2016-2017, each budget unit shall

10 transfers means of financing and expenditure categories of the appropriations in this Act to
11 result in a balance between each transfer of funds from one budget unit to another budget

14 program or budget unit of this Act.

23 Section 13.A. Notwithstanding any other law to the contrary, including any provision
24 of any appropriation act or any capital outlay act, no constitutional requirement or special

11 fund which is the source of payment of any appropriation in such acts are insufficient to fully
12 fund the appropriations made from such fund source, the treasurer shall allocate money for
13 the payment of warrants drawn on such appropriations against such fund source during the

27 Section 16. Should any section, subsection, clause, sentence, phrase, or part of the Act
28 for any reason be held, deemed or construed to be unconstitutional or invalid, such decisions
29 shall not affect the remaining provisions of the Act, and the legislature hereby declares that
30 it would have passed the Act, and each section, subsection, clause, sentence, phrase, or part
31 thereof, irrespective of the fact that one or more of the sections, subsections, clauses,

1 sentences, phrases, or parts thereof, is declared unconstitutional or invalid. To this end, the
2 provisions of this Act are hereby declared severable.

3 Section 17.A. All BA-7 budget transactions, including relevant changes to performance
4 information, submitted in accordance with this Act or any other provisions of law which
5 require approval by the Joint Legislative Committee on the Budget or joint approval by the
6 commissioner of administration and the Joint Legislative Committee on the Budget shall be
7 submitted to the commissioner of administration, Joint Legislative Committee on the
8 Budget, and Legislative Fiscal Office a minimum of sixteen working days prior to
9 consideration by the Joint Legislative Committee on the Budget. Each submission must
10 include full justification of the transaction requested, but submission in accordance with this
11 deadline shall not be the sole determinant of whether the item is actually placed on the
12 agenda for a hearing by the Joint Legislative Committee on the Budget. Transactions not
13 submitted in accordance with the provisions of this Section shall be considered by the
14 commissioner of administration and Joint Legislative Committee on the Budget only when
15 extreme circumstances requiring immediate action exist.

16 B. Notwithstanding any contrary provision of this Act or any contrary provision of law,
17 no funds appropriated by this Act shall be released or provided to any recipient of an
18 appropriation made in this Act if, when, and for as long as, the recipient fails or refuses to
19 comply with the provisions of R.S. 24:513. No recipient shall be considered to fail or refuse
20 to comply with the provisions of R.S. 24:513 pursuant to this Section during any extension
21 of time granted by the legislative auditor or the Legislative Audit Advisory Council. The
22 legislative auditor may grant a recipient, for good cause shown, an extension of time to
23 comply with the provisions of R.S. 24:513. The Legislative Audit Advisory Council may
24 grant additional extensions of time to comply with the provisions of R.S. 24:513 for recipient
25 entities of an appropriation contained in this Act with recommendation by the legislative
26 auditor pursuant to R.S. 39:72.1.

27 Section 18.A. Except for the conditions set forth in Subsection B of this Section, the
28 following sums or so much thereof as may be necessary are hereby appropriated out of any
29 monies in the state treasury from the sources specified; from federal funds payable to the
30 state by the United States Treasury; or from funds belonging to the State of Louisiana and/or
31 collected by boards, commissions, departments, and agencies thereof, for purposes specified

1 herein for the year commencing July 1, 2016, and ending June 30, 2017. Funds appropriated
2 to auxiliary accounts herein shall be from prior and current year collections, with the
3 exception of state General Fund (Direct). The commissioner of administration is hereby
4 authorized and directed to correct the means of financing and expenditures for any
5 appropriation contained in Schedule 20-901 Sales Tax Dedications to reflect the enactment
6 of any law enacted in any 2016 session of the Legislature which affects any such means of
7 financing or expenditure. Further provided with regard to auxiliary funds, that excess cash
8 funds, excluding cash funds arising from working capital advances, shall be invested by the
9 state treasurer with the interest proceeds therefrom credited to each account and not
10 transferred to the state General Fund. This Act shall be subject to all conditions set forth in
11 Title 39 of the Louisiana Revised Statutes of 1950 as amended.

12 B.(1) No funds appropriated in this Act shall be transferred to a public or quasi-public
13 agency or entity which is not a budget unit of the state unless the intended recipient of those
14 funds submits, for approval, a comprehensive budget to the legislative auditor and the
15 transferring agency showing all anticipated uses of the appropriation, an estimate of the
16 duration of the project, and a plan showing specific goals and objectives for the use of such
17 funds, including measures of performance. In addition, and prior to making such
18 expenditure, the transferring agency shall require each recipient to agree in writing to
19 provide written reports to the transferring agency at least every six months concerning the
20 use of the funds and the specific goals and objectives for the use of the funds. In the event
21 the transferring agency determines that the recipient failed to use the funds set forth in its
22 budget within the estimated duration of the project or failed to reasonably achieve its
23 specific goals and objectives for the use of the funds, the transferring agency shall demand
24 that any unexpended funds be returned to the state treasury unless approval to retain the
25 funds is obtained from the division of administration and the Joint Legislative Committee
26 on the Budget. Each recipient shall be audited in accordance with R.S. 24:513. If the
27 amount of the public funds received by the provider is below the amount for which an audit
28 is required under R.S. 24:513, the transferring agency shall monitor and evaluate the use of
29 the funds to ensure effective achievement of the goals and objectives. The transferring
30 agency shall forward to the legislative auditor, the division of administration, and the Joint
31 Legislative Committee on the Budget a report showing specific data regarding compliance

1 with this Section and collection of any unexpended funds. This report shall be submitted no
2 later than May 1, 2017.

3 (2) Transfers to public or quasi-public agencies or entities that have submitted a budget
4 request to the division of administration in accordance with Part II of Chapter 1 of Subtitle
5 1 of Title 39 of the Louisiana Revised Statutes of 1950 and transfers authorized by specific
6 provisions of the Louisiana Revised Statutes of 1950 and the Constitution of the State of
7 Louisiana to local governing authorities shall be exempt from the provisions of this
8 Subsection.

9 (3) Notwithstanding any other provision of law or this Act to the contrary, if the name
10 of an entity subject to this Subsection is misspelled or misstated in this Act or any other Act,
11 the state treasurer may pay the funds appropriated to the entity without obtaining the
12 approval of the Joint Legislative Committee on the Budget, but only after the entity has
13 provided proof of its correct legal name to the state treasurer and transmitted a copy to the
14 staffs of the House Committee on Appropriations and the Senate Committee on Finance.

15 C. The Department of Health and Hospitals shall continue to provide for immunizations
16 in those parish health units which receive any funding from local governmental sources.

SCHEDULE 09

DEPARTMENT OF HEALTH AND HOSPITALS

For Fiscal Year 2016-2017, cash generated by each budget unit within Schedule 09 may be pooled with any other budget unit within Schedule 09 to avoid a cash deficit. No budget unit may expend more revenues than are appropriated to it in this Act except upon the approval of the Division of Administration and the Joint Legislative Committee on the Budget, or as may otherwise be provided for by law.

Notwithstanding any provision of law to the contrary, the department shall purchase medical services for consumers in the most cost effective manner. The secretary is directed to utilize various cost containment measures to ensure expenditures remain at the level appropriated in this Schedule, including but not limited to precertification, preadmission screening, diversion, fraud control, utilization review and management, prior authorization, service limitations, drug therapy management, disease management, cost sharing, and other measures as permitted under federal law.

Beginning on October 1, 2016, and monthly thereafter, the department shall submit a report detailing the programmatic allocations of the total appropriated for Schedule 09-306 Medical Vendor Payments in this Act to the Joint Legislative Committee on the Budget for its review. The first report shall include a detailed itemization of the actual means of financing and expenditures for Medical Vendor Payments in Fiscal Year 2015-2016 and the initial allocation of payments for Fiscal Year 2016-2017 to provider groups, state agencies, or

1 managed care programs within each of the four programs: Payments to Private Providers;
2 Payments to Public Providers; Medicare Buy-Ins and Supplements; and Uncompensated
3 Care Costs. The first report shall also include, for both the prior and current fiscal year, an
4 itemization of supplemental payments and uncompensated care costs payments to the LSU
5 Public Private Partnership hospitals. The second report, and each subsequent report
6 thereafter, shall itemize the projected expenditures in Fiscal Year 2016-2017 for each
7 allocation within the four programs and payments to the public private partnership hospital
8 as presented in the first report of the fiscal year. Also, the reports shall include a section
9 specifying the total amount of pharmacy rebates received year-to-date and the total amount
10 projected to be received by the end of the fiscal year. Further, the department shall include
11 a section in each report detailing the anticipated levels of revenue collections in Medical
12 Vendor Payments by source and, in the event a deficit is projected, any other sources of
13 revenues that may be available or adjustments in expenditures that could be implemented
14 within the department to aid in alleviating the projected deficit. Finally, the department may
15 vary the forecasting methodologies utilized to produce the reports as necessary to ensure the
16 submission of the most accurate projections of revenues and expenditures as practicable.

17 Notwithstanding any law to the contrary and specifically R.S. 39:82(E), for Fiscal Year
18 2016-2017 any over-collected funds, including interagency transfers, fees and self-generated
19 revenues, federal funds, and surplus statutory dedicated funds generated and collected by any
20 agency in Schedule 09 for Fiscal Year 2015-2016 may be carried forward and expended in
21 Fiscal Year 2016-2017 in the Medical Vendor Program. Revenues from refunds and
22 recoveries in the Medical Vendor Program are authorized to be expended in Fiscal Year
23 2016-2017. No such carried forward funds, which are in excess of those appropriated in this
24 Act, may be expended without the express approval of the Division of Administration and
25 the Joint Legislative Committee on the Budget.

26 Notwithstanding any law to the contrary, the secretary of the Department of Health and
27 Hospitals may transfer, with the approval of the commissioner of administration via midyear
28 budget adjustment (BA-7 Form), up to twenty-five (25) authorized positions and associated
29 personal services funding if necessary from one budget unit to any other budget unit and/or
30 between programs within any budget unit within this schedule. Not more than an aggregate
31 of one-hundred (100) positions and associated personal services may be transferred between
32 budget units and/or programs within a budget unit without the approval of the Joint
33 Legislative Committee on the Budget.

34 Notwithstanding any provision of law to the contrary, the secretary of the Department of
35 Health and Hospitals is authorized to transfer, with the approval of the commissioner of
36 administration through midyear budget adjustments, funds and authorized positions from one
37 budget unit to any other budget unit and/or between programs within any budget unit within
38 this schedule. Such transfers shall be made solely to provide for the effective delivery of
39 services by the department, promote efficiencies and enhance the cost effective delivery of
40 services. Not more than six million dollars may be transferred pursuant to this authority. The
41 secretary and the commissioner shall promptly notify the Joint Legislative Committee on the
42 Budget of any such transfer.

43 In the event this Act provides for increases or decreases in funds for agencies within
44 Schedule 09 that would impact services provided by 09-300 (Jefferson Parish Human
45 Services Authority), 09-301 (Florida Parishes Human Services Authority), 09-302 (Capital
46 Area Human Services District), 09-304 (Metropolitan Human Services District), 09-309
47 (South Central Louisiana Human Services Authority), 09-310 (Northeast Delta Human
48 Services Authority), 09-325 (Acadiana Area Human Services District), 09-375 (Imperial
49 Calcasieu Human Services Authority), 09-376 (Central La. Human Services District), and
50 09-377 (Northwest La. Human Services District), the commissioner of administration is
51 authorized to transfer funds on a pro rata basis within the budget units contained in Schedule
52 09 in order to effect such changes. The commissioner shall provide written documentation
53 of all such transfers approved after the initial notifications of the appropriation to the Joint
54 Legislative Committee on the Budget.

55 Notwithstanding any provision of law to the contrary, the department shall not be under any
56 obligation to perform any of the services as described in R.S. 46:2116, et seq., and may
57 utilize other revenue sources to provide these services. Provided, further, that any additional

1 funding for state plan personal assistance services may be used as state match for available
 2 federal funds.

3 Provided, however, that \$32,040,000 appropriated to Schedule 09, Department of Health and
 4 Hospitals from State General Fund by Fees and Self-Generated Revenues shall be available
 5 in the event that additional monies in such amount are recognized by the Revenue Estimating
 6 Conference.
