Abstract: Authorizes the La. Tax Commission to establish a statewide ad valorem property tax exemption audit program, and for such purpose to hire contractors to be paid from fees imposed by the commission on taxes, penalties, and interest due through activities of the program.

Present law provides with respect to the duties and responsibilities of the La. Tax Commission (commission).

Proposed law retains present law and authorizes the commission to establish a statewide ad valorem property tax exemption audit program (program). Provisions governing the execution and administration of the program shall be established by rule of the commission promulgated in accordance with the Administrative Procedure Act.

Proposed law provides that if any taxes, penalties or interest are due under the program, the commission may charge the taxpayer a fee equal to 10% of the total amount of taxes, penalties, and interest due. Fee monies collected by the commission shall be payable by the taxpayer to the commission and shall be deposited into the commissions's expense fund.

Proposed law authorizes the hiring of persons including agents, auditors, clerks, and investigators through contingency fee contracts to assist in program execution and enforcement. However, the total fees paid pursuant to the contracts shall not exceed the total fees collected by the tax commission under proposed law.
