**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure. Proposed law would require JLCB to approve whether monies in the Conservation Fund can be used for building acquisition. This approval could take place at a scheduled JLCB meeting, and would not require an additional meeting to be scheduled. Furthermore, the Department of Wildlife and Fisheries reports that it has not used Conservation Fund money for building acquisitions in the past.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
