HB 650 Engrossed

2018 Regular Session

Foil

Abstract: Creates the START K12 Program for education savings accounts for tuition expenses at elementary and secondary schools.

START and START K12 Programs, generally

Present law creates the La. Student Tuition Assistance and Revenue Trust (START) Program, an education savings program for certain expenses associated with enrolling in an institution of postsecondary education. Provides for earnings enhancements (a "state match") on deposits between 2% and 14% annually; such rate depends on the account category and the account owner's income. Also exempts a portion of annual deposits from an account owner's state tax table income (up to \$2,400 for single filers and \$4,800 for joint filers, per account). Provides for administration by the La. Tuition Trust Authority (LATTA). Proposed law retains present law.

Proposed law creates the La. Student Tuition Assistance and Revenue Trust Kindergarten Through Grade Twelve (START K12) Program, an education savings program that is similar to the START program except that it is for certain expenses associated with enrolling in grades kindergarten through 12. Defines such expenses as tuition in connection with enrollment or attendance at a public or approved nonpublic elementary or secondary school in La., limited to grades kindergarten through 12. Limits disbursements of such expenses to a maximum of \$10,000 per tax year, per beneficiary. Provides for administration by LATTA. Does not provide a state match or for exemption of a portion of annual deposits from an account owner's state tax table income. (Legislation regarding tax exemptions during a Regular Session during an even-numbered year is prohibited by present constitution.) Prohibits a transfer or rollover from a START account to a START K12 account.

Louisiana Education Tuition and Savings Plan and Fund

Present law establishes in the state treasury as a special permanent fund the La. Education Tuition and Savings Fund, known as the "Tuition and Savings Fund". Provides for separate accounts for the START Program and for another education savings program authorized by present law. Provides that the legislature shall make yearly appropriations from the respective account to the LATTA for present law purposes.

Proposed law provides that the START Program account shall also be for the START K12 program and that appropriations to LATTA shall also be made for purposes of the START K12 program.

Abandoned property

Present law provides that property is presumed abandoned if it is unclaimed by the apparent owner during the time set forth in present law for the particular property. Proposed law adds that unclaimed funds in a START K12 account during any five-year period subsequent to the beneficiary's 20th birthday shall be presumed abandoned.

Payroll withholdings

Present law authorizes any employee of the state or a political subdivision in the state to authorize his employer to withhold from his salary amounts for deposit into a START account. Proposed law also grants such employees this authority relative to salary withholdings for deposits to START K12 accounts.

Public records

Present law provides a public records exception for all LATTA records indicating the identity of owners and beneficiaries of START education savings accounts and the amounts used or refunded under an account owner's agreement. Proposed law provides an additional public records exception for all such records relative to START K12 accounts.
