HB 265 Reengrossed 2018 Regular Session Smith

Abstract: Allows a person who is under an order of imprisonment for conviction of a
felony to register and vote if the person has not been confined in a correctional
facility pursuant to the order within the last five years.

Present constitution (Const. Art. I, §10) provides that every citizen of the state, upon
reaching 18 years of age, shall have the right to register and vote, except that this right may
be suspended while a person is interdicted and judicially declared mentally incompetent or
is under an order of imprisonment for conviction of a felony.

Present law (R.S. 18:102–La. Election Code) prohibits a person who is under an order of
imprisonment for conviction of a felony from registering to vote. Present law (R.S. 18:2(8))
provides that this prohibition applies during a sentence of confinement, whether or not
suspended, whether or not the subject of the order has been placed on probation, with or
without supervision, and whether or not the subject of the order has been paroled.

Proposed law retains present law and provides an exception to allow a person who is under
an order of imprisonment for conviction of a felony to register and vote if the person has not
been incarcerated pursuant to the order within the last five years and the person submits
documentation to the registrar of voters from the appropriate correction official showing that
the person has not been incarcerated pursuant to the order within the last five years.

Present law (R.S. 18:171 and 171.1) provides for recordation and reporting of felony
convictions in state and federal courts for which there are orders of imprisonment. The
information is ultimately provided to the registrar of voters in each parish.

Present law (R.S. 18:176) provides for suspension of the registration of a person listed on
a report received pursuant to present law (R.S. 18:171 and 171.1) and anyone the registrar
believes has been convicted of a felony and is under an order of imprisonment. Requires
notice and an opportunity to appear before the registrar prior to suspension.

Present law (R.S. 18:177) provides for reinstatement of voter registration. Provides that
when the registration of a person is suspended based on a felony conviction, the registration
shall be reinstated when the person appears in the office of the registrar and provides
documentation from the appropriate correction official showing that such person is no longer
under an order of imprisonment. Provides that certain persons may provide the required
documentation by mail.

Proposed law retains present law. Additionally provides that a person's registration shall be
reinstated when the person provides documentation from the appropriate correction official

showing that the person has not been incarcerated pursuant to an order of imprisonment for
conviction of a felony within the last five years.

Proposed law requires the secretary of state to work with the Dept. of Public Safety and
Corrections to develop a form or forms to allow a person who is or was under an order of
imprisonment for conviction of a felony to meet the requirements of present law and
proposed law provisions relative to voter registration and reinstatement of registration.

Effective March 1, 2019.
