

RÉSUMÉ DIGEST

ACT 533 (SB 412)

2018 Regular Session

Prior law required the owner, manager, or person in charge of a salvage pool or salvage disposal sale to keep a register of all sales of motor vehicles for three years from the date of sale, showing certain information pertaining to each motor vehicle in the register.

New law retains prior law and adds employee to those authorized to be record keepers.

New law requires that the register be available within a reasonable period of time when requested by the Louisiana Used Motor Vehicle Commission.
