**Abstract:** Corrects the statutory reference to early learning centers within the definition of "private procurement unit" for purposes of the La. Procurement Code.

Present law defines "private procurement unit" for purposes of the La. Procurement Code as any regionally accredited independent college or university in La. that is a member of the La. Association of Independent Colleges and Universities or any early childhood learning center as defined in present law.

Proposed law retains present law but provides a technical correction to the statutory reference for early learning centers within the definition of "private procurement unit."
