DIGEST

SB 146 Original

2019 Regular Session

Morrell

Present law provides that if the testimony of a witness is essential to the prosecution or the defense, and it may become impracticable to secure the presence of the person by subpoena, then upon motion of the district attorney or a defendant, a judge is to issue a warrant for the arrest of the witness. Present law further provides that the witness is to be arrested and held in the parish jail or other suitable place as designated by the court, until he gives an appearance bond as provided for defendants admitted to bail, or until his testimony has been given or dispensed with.

Proposed law provides that present law does not apply for the purpose of securing the witness's testimony in the prosecution of any present law offense defined as a sex offense under present law, or the present law crimes of battery of a dating partner, domestic abuse battery, or domestic abuse aggravated assault, when the witness is also the victim of any of those offenses.

Proposed law otherwise retains present law.

Effective upon signature of the governor or lapse of time for gubernatorial action.
