2019 Regular Session

HOUSE BILL NO. 347

BY REPRESENTATIVE STOKES

Prefiled pursuant to Article III, Section 2(A)(4)(b)(i) of the Constitution of Louisiana.

INSURANCE/HEALTH: Provides for the coverage of diagnostic imaging at the same level of coverage as screening mammograms

AN ACT

To enact R.S. 22:1028.1, relative to coverage for diagnostic imaging for breast cancer; to require coverage for diagnostic imaging at the same level of coverage provided for screening mammograms; to define key terms; to provide for applicability; to provide for an effective date; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 22:1028.1 is hereby enacted to read as follows:

§1028.1. Required coverage for diagnostic imaging

A.(1) Any health coverage plan delivered or issued for delivery in this state shall include coverage for diagnostic imaging at the same level of coverage provided for the minimum mammography examination pursuant to R.S. 22:1028.

(2) The health coverage plan may require a referral by the treating physician based on medical necessity for the diagnostic imaging to be eligible for the coverage required pursuant to Paragraph (1) of this Subsection.

(3) Any coverage required pursuant to the provisions of this Section shall not be subject to any policy or health coverage plan deductible amount.

B. For purposes of this Section:

(1) "Diagnostic imaging" means an imaging test given to people who are suspected of having breast cancer, either because of symptoms they may be experiencing or a screening test result, which will be used to determine whether or
not breast cancer is present. "Diagnostic imaging" shall include but not be limited
to diagnostic mammograms, ultrasounds, and breast magnetic resonance imaging.

(2) "Health coverage plan" means any hospital, health, or medical expense
insurance policy, hospital or medical service contract, employee welfare benefit plan,
contract, or other agreement with a health maintenance organization or a preferred
provider organization, health and accident insurance policy, or any other insurance
contract of this type in this state, including a group insurance plan, a self-insurance
plan, and the Office of Group Benefits programs. "Health coverage plan" shall not
include a plan providing coverage for excepted benefits as defined in R.S. 22:1061,
limited benefit health insurance plans, and short-term policies that have a term of
less than twelve months.

C. Any provision in a health insurance policy, benefit program, or health
coverage plan delivered, renewed, issued for delivery, or otherwise contracted for in
this state which is contrary to the provisions of this Section shall, to the extent of the
conflict, be void.

Section 2. (A) This Act shall become effective on January 1, 2020.
(B) This Act shall apply to any new policy, contract, program, or health coverage
plan issued on and after January 1, 2020. Any policy, contract, or health coverage plan in
effect prior to January 1, 2020, shall convert to conform to the provisions of this Act on or
before the renewal date, but no later than January 1, 2020.

HB 347 Original 2019 Regular Session Stokes

Abstract: Requires coverage for diagnostic imaging for the presence of breast cancer at the
same level of coverage provided for the screening mammography examination.

Present law requires any health coverage plan which is delivered or issued for delivery in
this state to include benefits payable for a minimum mammography examination.

Proposed law retains present law and requires any health coverage plan delivered or issued
for delivery in this state to include coverage for diagnostic imaging, including but not limited
to diagnostic mammograms, ultrasounds, and breast magnetic resonance imaging, at the

same level of coverage provided for the minimum mammography examination pursuant to present law.

Proposed law authorizes the health coverage plan to require a referral by the treating physician based on medical necessity for the diagnostic imaging to be eligible for the required coverage but prohibits the coverage from being subject to any policy or health coverage plan deductible amount.

Proposed law provides that any provision in a health insurance policy, benefit program, or health coverage plan delivered, renewed, issued for delivery, or otherwise contracted for in this state which is contrary to proposed law shall, to the extent of the conflict, be void.

Proposed law applies to any new policy, contract, program, or health coverage plan issued on and after Jan. 1, 2020. Any policy, contract, or health coverage plan in effect prior to Jan. 1, 2020, shall convert to conform to the provisions of proposed law on or before the renewal date, but no later than Jan. 1, 2020.
