AN ACT

To enact R.S. 40:1061.1.3, relative to abortion; to prohibit the abortion of an unborn human being with a detectable heartbeat; to provide definitions; to provide penalties; to provide for effectiveness; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 40:1061.1.3 is hereby enacted to read as follows:

§1061.1.3. Abortion prohibited; detectable fetal heartbeat

A. (1) Except as provided in Paragraph (2) or (3) of this Subsection, it shall be unlawful for any person to knowingly perform an abortion with the specific intent of causing or abetting the termination of the life of an unborn human being when a fetal heartbeat has been detected. Any person who acts based on the exception provided in Paragraph (2) or (3) of this Subsection shall so note in the pregnant woman's medical records and shall specify in the pregnant woman's medical records which of the exceptions the person performing the abortion has invoked.

(2)(a) A person shall not be in violation of Paragraph (1) of this Subsection if the person performs a medical procedure designed to or intended,
in that person's reasonable medical judgment, to prevent the death of a
pregnant woman or to prevent a serious risk of the substantial and irreversible
impairment of a major bodily function of the pregnant woman.

(b)(i) A person who performs a medical procedure as described in
Subparagraph (a) of this Paragraph shall declare in writing, under penalty of
perjury, that the medical procedure was necessary, to the best of that person's
reasonable medical judgment, to prevent the death of the pregnant woman or
to prevent a serious risk of the substantial and irreversible impairment of a
major bodily function of the pregnant woman. The person shall also provide
in that written statement the specific medical condition of the pregnant woman
that the medical procedure was performed to address, and the medical rationale
for the conclusion that the medical procedure was necessary to prevent the
death of the pregnant woman or to prevent a serious risk of the substantial and
irreversible impairment of a major bodily function of the pregnant woman.

(ii) The person who performs a medical procedure as described in
Subparagraph (a) of this Paragraph shall place the written documentation
required by this Subparagraph in the pregnant woman's medical records, and
shall maintain a copy of the written documentation for not less than seven years.

(3) A person shall not be in violation of Paragraph (1) of this Subsection
if the person has performed an examination for the presence of a fetal heartbeat
in the unborn human individual using standard medical practice and that
examination does not reveal a fetal heartbeat, or the person has been informed
by a physician who has performed the examination for a fetal heartbeat that the
examination did not reveal a fetal heartbeat.

B. For purposes of this Section:

(1) "Fetal heartbeat" means cardiac activity or the steady and repetitive
rhythmic contraction of the fetal heart within the gestational sac.

(2) "Physician" means an individual licensed by the Louisiana State
Board of Medical Examiners.
(3) "Unborn human being" means an individual living member of the species Homo sapiens throughout the entire embryonic and fetal stages, from fertilization through full gestation and birth.

C. Whoever violates this Section shall be prosecuted pursuant to the effective provisions of R.S. 14:87 and shall be subject to the penalties provided in R.S. 40:1061.29.

D. In addition to any other grounds provided by law, it shall be grounds for the nonissuance, suspension, revocation, or restriction of a license, or the denial of reinstatement or renewal of a license, issued by the Louisiana State Board of Medical Examiners, that the applicant or licensee has performed an abortion in violation of this Section.

E. This Section shall not be construed to repeal any other provision of law that restricts or regulates the performance of an abortion by a particular method or during a particular stage of a pregnancy.

F. The provisions of this Section are hereby repealed in favor of the provisions of R.S. 40:1061 immediately upon and to the extent that either:

(1) A decision of the United States Supreme Court upholds the authority of each of the several states of the United States or of the state of Louisiana to prohibit elective abortions.

(2) An amendment to the Constitution of the United States of America is adopted that restores to each of the several states of the United States or to the state of Louisiana the authority to prohibit elective abortions.

Section 2. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on the day following such approval.

The written documentation required by proposed law must be placed in the pregnant woman's medical records, and a copy maintained for at least seven years.
