

1           WHEREAS, various authorities have suggested the need for Louisiana to address a  
2 number of policy areas that would require constitutional change, including such matters as  
3 the state's tax structure and budgetary practices, dedication of state revenues and the  
4 resulting inability of the legislature to allocate tax resources where needed, as well as fiscal  
5 restraints on local governments that dramatically limit their authority to meet fiscal and  
6 budgetary demands; and

7           WHEREAS, there were one or more mid-year budget cuts due to projected deficits  
8 each year from Fiscal Year 2008-2009 through Fiscal Year 2016-2017 and thirteen mid-year  
9 adjustments that adjusted deficits totaling almost four billion dollars, which further indicates  
10 the compelling need to examine and address the state's financial policies embedded in the  
11 constitution; and

12           WHEREAS, as was the case in 1973, Louisiana once again faces the need for a  
13 serious analysis and revision of its basic law by a constitutional convention to: conduct a  
14 genuine examination of the state's critical needs, undertake an in-depth discussion of reform  
15 concepts, craft provisions that allow for flexibility and innovation in legislative solutions to  
16 problems of the present and the future, and challenge Louisiana's voters to accept  
17 constructive change; and

18           WHEREAS, prior to convening a constitutional convention, it would be beneficial  
19 to undertake appropriate study and analysis to enable effective legislative decisions and  
20 consensus concerning details of convention composition, organization, procedure, and  
21 staffing and other resources.

22           THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby  
23 create and establish the Constitutional Convention Study Commission to undertake all study  
24 and analysis necessary to make recommendations to the legislature for calling a  
25 constitutional convention to revise the Constitution of Louisiana.

26           BE IT FURTHER RESOLVED that the commission shall be composed of the  
27 following legislators:

28           (1) Five members of the House of Representatives appointed by the speaker of the  
29 House of Representatives in a manner to reflect the diversity of the membership of the  
30 House of Representatives.

1           (2) Five members of the Senate appointed by the president of the Senate in a manner  
2 to reflect the diversity of the membership of the Senate.

3           BE IT FURTHER RESOLVED that the commission shall hold its organizational  
4 meeting within thirty days after adjournment sine die of the 2019 Regular Session of the  
5 Legislature on the call of the speaker of the House of Representatives and the president of  
6 the Senate acting jointly and that at such organizational meeting the commission shall elect  
7 a chairman, a vice chairman, and such other officers as it finds necessary.

8           BE IT FURTHER RESOLVED that the commission shall make such studies as it  
9 finds necessary or appropriate to make recommendations to the legislature on all matters  
10 relevant to the convening and conduct of a constitutional convention, including but not  
11 limited to:

12           (1) Identification of significant policy areas that must be addressed in order to  
13 propose a constitution that will serve the state effectively.

14           (2) Identification of pertinent background material and data relative to significant  
15 policy areas that the commission determines will be useful to the work of the convention.

16           (3) Recommendations for the composition of the membership of the convention.

17           (4) Recommended proposed timetables for the convention.

18           (5) Recommendations regarding staffing and other resources needed and available  
19 to address policy issues and to skillfully draft constitutional language.

20           (6) Recommendations for budget needs for effective conduct of a convention.

21           BE IT FURTHER RESOLVED that the commission shall complete its study and  
22 determine the recommendations it will make to the legislature no later than January 1, 2020,  
23 and shall submit to each member of the legislature and to the governor, no later than January  
24 13, 2020, the complete results of its study and a report of its findings and its  
25 recommendations based thereon.

26           BE IT FURTHER RESOLVED that the commission, for the purposes of conducting  
27 the study as provided in this Resolution, may utilize the personnel, facilities, and services  
28 of the legislative auditor, the legislative fiscal officer, and the staff of the House of  
29 Representatives and the Senate, and that the commission may request and utilize such  
30 counsel, assistance, personnel, facilities, and advice as may be obtained from any and all

1 public sources and from any and all private sources, including but not necessarily restricted  
2 to private research agencies, individuals, and organizations.

3 BE IT FURTHER RESOLVED that the commission may make or cause to be made  
4 any studies it finds useful for the purposes of this Resolution through legislative personnel  
5 or in cooperation with any public or private agency, including but not limited to universities,  
6 colleges, foundations, charitable corporations, and research organizations, and the  
7 commission may call upon the members or staffs of any and all departments or agencies of  
8 the state for data and assistance, and all such departments and agencies shall cooperate with  
9 the commission.

10 BE IT FURTHER RESOLVED that the commission may receive grants, donations,  
11 or gifts of money or services from public or private organizations or from any other source,  
12 to be utilized for the purposes of the commission.

13 BE IT FURTHER RESOLVED that the commission may create or appoint advisory  
14 commissions or task forces, to act in an advisory capacity or to assist in its studies,  
15 composed of such representatives of the public or private sectors as it deems appropriate.

16 BE IT FURTHER RESOLVED that all expenses directly incurred by the commission  
17 may be paid from any funds available for the purpose and, with the approval of the presiding  
18 officers of the two houses of the Legislature of Louisiana, from funds available to such  
19 presiding officers for expenses of the legislature.

20 BE IT FURTHER RESOLVED that the commission shall be deemed dissolved at  
21 ten o'clock in the morning on January 13, 2020.
