14 amount not to exceed five hundred dollars. Each day a violation continues shall
15 constitute a separate offense.

16 D. If the commissioner of higher education or the commission has probable
17 cause to believe that any owner of a proprietary school or any solicitor who sells or
18 offers to sell any course of instruction has committed any of the acts prohibited by
19 this Chapter, the commissioner of higher education shall petition a court of
20 competent jurisdiction for an injunction against the school or solicitor.

26 the remedy proposed, and the procedure by which an administrative hearing may be
27 requested.

28 B. For purposes of an investigation or hearing, the commission may
29 administer oaths and affirmations, subpoena witnesses, compel their attendance, take

15 fines shall not exceed five hundred dollars per violation.

16 E. Any party aggrieved by any decision or order of the commission or board
17 may seek judicial review.

18 F. No cause of action shall exist against any student who in good faith makes
19 a complaint, cooperates in the investigation by the commission, or participates in
20 judicial proceedings and each student shall have immunity from civil or criminal
21 liability that might otherwise be incurred or imposed. This immunity from liability
22 shall not extend to any person who makes a complaint known to be false or with
23 reckless disregard for the truth of the complaint.

18 fund the Proprietary School Student Protection Fund. Following compliance with
19 the requirements of Article VII, Section 9(B) of the Constitution of Louisiana
20 relative to the Bond Security and Redemption Fund, all monies generated pursuant

22 Student Protection Fund, and monies in this fund shall be used solely to make
23 refunds of unearned tuition as provided in this Chapter. The monies in the fund shall
24 be invested by the state treasurer in the same manner as for the state general fund and

28 (4) Payments required pursuant to this Section shall be a condition of doing
 29 business in the state and failure to make a payment within thirty days following the

1 date on which it is due shall result in the loss of licensure as granted under the
2 provisions of this Chapter. The commission shall provide written notice of the
3 required payment to each school not less than thirty days prior to the due date of the
4 payment.

5 (5) If an audit of tuition revenues conducted by the board determines that a
6 school has paid into the Proprietary School Student Protection Fund an amount less
7 than was required, the school shall pay the amount required to the commission within
8 thirty days of receipt of written notice from the board of the amount of the
9 underpayment.

10 (6) If an audit of tuition revenues conducted by the board determines that a
11 school has paid into the Proprietary School Student Protection Fund an amount more
12 than was required, subsequent payment or payments by the school shall be
13 appropriately credited by the commissioner of higher education or his designee until
14 the credited payment or payments equal the amount of the overpayment.

15 C. Forms developed and provided annually to calculate payments due the
16 Proprietary School Student Protection Fund shall be completed by the school and
17 submitted annually to the commission. The school director or persons designated to
18 sign on his behalf shall attest that the information provided is correct and complete.

21 time remaining in his course of study at no additional cost to a similar program
22 within the student's local area as determined by the commission or other teach-out
23 options.

24 E. A school shall inform its students in writing of their rights under the
25 provisions governing the Proprietary School Student Protection Fund.

26 F. Any student enrolled in a proprietary school licensed under the provisions
27 of this Chapter who is unable to complete a course or unit of instruction at a school
28 because of cessation of operation of the school and who has paid tuition for the
29 course or unit of instruction may make application to the board for a refund of tuition

1 from the Proprietary School Student Protection Fund to the extent that the fund exists
2 or has reached the level necessary to pay outstanding approved claims.

3 G.(1) Application for refund shall be made on forms provided by the board
4 after determination of cessation of operation of the school.

5 (2) In applying for a refund pursuant to the provisions of this Section, a
6 student shall specify all sources and amounts of tuition which were paid on the
7 student's behalf.

8 H.(1) Upon application, the board shall determine whether the applicant is
9 unable to complete a course or unit of instruction because of the cessation of
10 operation of the school to which tuition has been paid. The board may summon by
11 subpoena any person, records, or documents pertinent to the making of a
12 determination regarding cessation of operation.

13 (2) If the board finds that the applicant is entitled to a tuition refund because
14 of the cessation of operation of the school, the board shall determine the amount of
15 an appropriate refund which shall be equal to or a portion of the tuition paid for the
16 uncompleted course or unit of instruction. The board shall direct the commission to
17 pay the refund to the applicant or persons, agencies, or organizations indicated by the
18 applicant who has paid tuition on the student's behalf. If the student is a minor,
19 payment shall be made to the student's parent or legal guardian.

20 (3) Each recipient of a tuition refund made in accordance with the provisions
21 of this Section shall assign all rights to the state of any action against the school or
22 its owner or owners for tuition amounts reimbursed pursuant to this Section. Upon
23 assignment, the board may take appropriate action against the school or its owner or
24 owners in order to reimburse the Proprietary School Student Protection Fund for any
25 expenses or claims that are paid from the fund and to reimburse the state for the
26 reasonable and necessary expenses in undertaking the action.

27 I. A claim shall be made against the fund only if it arises out of the cessation
28 of operation and after claims are made against the surety bond or other school
29 financial resources.

1 J. The board shall adopt necessary rules and regulations based on
2 recommendations from the commission providing for the cessation of payments into
3 the Proprietary School Student Protection Fund by schools licensed under the
4 provisions of this Chapter upon the fund balance reaching a minimum of eight
5 hundred thousand dollars and for the resumption of payments into the fund whenever
6 the fund balance is less than seven hundred fifty thousand dollars.

7 K.(1) Notwithstanding the provisions of Subsection A of this Section, there
8 is hereby established a special account within the Proprietary School Student
9 Protection Fund to be known as the Proprietary School Student Records and
10 Administration Account, hereafter in this Subsection referred to as the
11 "administration account". Any balance in the Proprietary School Student Protection
12 Fund on July 1, 2000, that exceeds eight hundred thousand dollars, as provided in
13 Subsection J of this Section, shall be deposited into the administration account. All
14 interest earned on the fund after July 1, 2000, shall be deposited in the administration
15 account. All deposits made to the Proprietary School Student Protection Fund after
16 July 1, 2000, shall be made in accordance with the provisions of this Section.

17 (2) Amounts from the administration account shall be pledged and dedicated
18 solely and exclusively for costs associated with board functions as they relate to the
19 administration of proprietary schools and for the creation of a digital student records
20 management system.

21 §3140.12. Administration

23 Chapter, except payments made to the Proprietary School Student Protection Fund,

26 regarding all funds collected and all expenditures made pursuant to the provisions
27 of this Chapter.

5 commission.

6 §3140.13. Solicitor permits

17 fiscal year.

18 B. The application for a permit shall be made on forms furnished by the

23 be filed with the commissioner of higher education, and shall be conditioned to
24 provide indemnification to any student suffering loss as a result of any fraud or
25 misrepresentation used by the solicitor in procuring his enrollment. The bond may
26 be provided by a solicitor for a school or by the school itself as a blanket bond
27 covering each of its agents in the amount of one thousand dollars.

28 (2) The liability of the surety on the bond for each solicitor covered shall not
29 exceed the sum of one thousand dollars as an aggregate for all students for all

1 breaches of the conditions of the bond by the solicitors. The bond shall be subject
2 to a ten-year prescriptive period for actions or breach of contract.

3 (3) The surety of any bond may cancel the same upon giving thirty days
4 written notice to the commission and the board and, upon giving notice, shall be
5 relieved of liability for any breach of condition occurring after the effective date of
6 the cancellation.

7 (4) Each application for renewal of a permit shall be accompanied by a
8 surety bond as provided in this Section.

9 D. The board shall take action on all permits applied for in accordance with
10 the provisions of this Section within sixty days after receipt of the application.

11 E. Upon approval of a permit application, the board shall issue a permit in
12 the form of an identification card to the solicitor which shall contain his name,
13 address, and permit number, the name and address of his employing school, and
14 certification that the person whose name appears on the card is an authorized
15 solicitor of the school. The identification card shall be carried by and displayed by
16 the solicitor at all times that he is soliciting or seeking to enroll students.

17 F.(1) Any permit issued to a solicitor may be revoked by the board if the
18 holder of the permit solicits or enrolls students through fraud, deception, or
19 misrepresentation, or other cause as provided by board rule.

20 (2) The board shall notify the permit holder in writing of its decision to
21 revoke his permit. At any time within thirty days prior to revocation, upon request
22 of the solicitor, the commission shall afford the solicitor an opportunity to be heard
23 in person or by counsel. Strict rules of evidence shall not apply. On or before thirty
24 days prior to the date of the hearing, the commission shall notify the aggrieved
25 solicitor of the date and purpose of the hearing and the grounds for the contemplated
26 revocation of the permit. The action of the commission shall be determined by a
27 vote of a majority of the members of the commission and ratified by a majority vote
28 of the board. Any final decision of the commission may be appealed to the board.

1 §3140.14. Recovery on contracts

2 No recovery shall be had on any contract for or in connection with a course
3 of instruction by any owner selling or administering a course if the solicitor for the
4 owner was not the holder of a valid permit as required by the provisions of this
5 Chapter at the time the contract was negotiated or the course sold.

6 §3140.15. Student records

7 A. Each school shall maintain accurate and complete records on each student

17 (6) Other information required by the board.

18 C. The records shall be kept current and on file at the school and be available
19 for inspection by the commissioner of higher education or his designee upon request.

20 D. If a school ceases operations, the records shall be transferred
21 electronically in a secure format, unless the board approves transfer by hard copy,
22 to the board within ten days of cessation of operation. If records are seized or
23 confiscated by those legally authorized, a copy of all records of students affected by
24 the cessation of operation shall be sent to the board.

25 §3140.16. Advertising

26 No owner of a school or solicitor for a school shall publish or cause to be

HB 562 Reengrossed

2019 Regular Session

Emerson

Abstract: Provides relative to proprietary schools.

Present law provides for the licensure, regulation, and oversight of proprietary schools by the Bd. of Regents. Provides for definitions, application requirements, fees, renewals, appeals, cessation of operations, advertising requirements, and degree granting status. Establishes the Advisory Commission on Proprietary Schools under the jurisdiction of the Bd. of Regents and provides for commission membership and duties. Establishes the Proprietary School Student Protection Fund and provides for payments to the fund by schools in accordance with the payment schedule as specified in present law.

Proposed law substantially retains present law except as follows:

- (1) Makes numerous revisions to provide for technical corrections, removal of obsolete provisions, and reorganization and recodification of present law.
- (2) Authorizes the Bd. of Regents to develop rules and regulations instead of the commission.
- (3) Changes the definition of proprietary schools to specify that out-of-state enterprises that require clinical or practical experiences in La. are subject to proposed law.
- (4) Adds requirement that proprietary schools that cease operations take certain specified actions.
- (5) Deletes requirement that proprietary schools retain electronic copies of student records and that the Bd. of Regents does not have to store hard copies of records it receives when a school ceases operations if the board stores the records electronically.
- (6) Removes authority given to proprietary schools to grant associate degrees, thereby limiting the degree granting authority to occupational degrees.
- (7) Deletes present law that prohibits persons from preparing advertising materials for school owners or solicitors until the commission provides information that the owner or solicitor is licensed and instead provides that the owner or solicitor may not advertise or cause any information to be advertised until the owner or solicitor is licensed in accordance with proposed law.

(Amends R.S. 17:7(8) and 11 and R.S. 36:651(L) and 801.5(A); Adds R.S. 17:3140.1-3140.17; Repeals R.S. 17:3141.1-3141.19)

Summary of Amendments Adopted by House

The Committee Amendments Proposed by House Committee on Education to the original bill:

1. Add out-of-state enterprises that require practical experiences in La. to the definition of proprietary schools.
2. Delete requirement that proprietary schools retain electronic copies of student records and that the Bd. of Regents does not have to store hard copies of records it receives when a school ceases operations if the board stores the records electronically.
3. Reinstate present law relative to the cessation of payments into the Proprietary School Student Protection Fund and the deposit and use of funds in the Proprietary School Student Records and Administration Account.
