Subject: Access to MAT for Persons in Residential Treatment	

HEALTH/BEHAVIORAL REF NO IMPACT See Note Page 1 of 1

Requires residential treatment facilities to provide access to medication-assisted treatment for patients with opioid use disorder

Proposed law requires residential treatment facilities licensed pursuant to present law that provide treatment for opioid use disorder to have onsite access to at least one form of FDA-approved partial opioid agonist treatment. Proposed law further requires such facilities to have access to at least one form of FDA-approved opioid antagonist treatment either on site. Proposed law requires providers subject to proposed law to issue an attestation that they have complied with proposed law or issue a progress report to LDH by January 1, 2021, regarding their progress towards compliance with proposed law. Proposed law prohibits LDH from taking action against providers subject to proposed law for failure to submit attestations regarding compliance with proposed law until January 1, 2021. Proposed law prohibits LDH from taking action against providers for failure to comply with the opioid antagonist and partial agonist treatment requirements in proposed law until January 1, 2021.
