

HOUSE SUMMARY OF SENATE AMENDMENTS

HB 205

2019 Regular Session

Hilferty

LEVEES/BDS & DISTRICTS: Renames the Non-Flood Protection Asset Management Authority

Synopsis of Senate Amendments

1. Makes technical changes.
2. Removes language from the bill referencing changes to the present law provisions that provide for ownership and management of non-flood protection functions and activities.

Digest of Bill as Finally Passed by Senate

Present law creates the Non-Flood Protection Asset Management Authority to manage, control, regulate, operate, and maintain non-flood protection facilities or improve asset or function within a levee district of a flood protection authority.

Proposed law renames the Non-Flood Protection Asset Management Authority as the Lakefront Management Authority.

(Amends R.S. 38:330.12.1(Section heading) and (A))
