ACT 101 (HB 194)

2019 Regular Session

Brass

Existing law defines "private procurement unit" for purposes of the La. Procurement Code as any regionally accredited independent college or university in La. that is a member of the La. Association of Independent Colleges and Universities.

Prior law included early childhood learning centers within the definition of "private procurement unit".

New law corrects the statutory reference from early childhood learning centers to early learning centers within the definition of "private procurement unit" for purposes of the La. Procurement Code and corrects the statutory cite.

Effective August 1, 2019.
