Proposed law provides that marketplace facilitators must register with the commission and must collect and remit state and local sales and use tax on all taxable remote sales for delivery into La. which the marketplace facilitator transacts on its own behalf or facilitates on behalf of a marketplace seller.

Proposed law provides that a marketplace facilitator has the same rights and duties as a remote seller.

Proposed law provides an exception to the sales and use tax filing obligation for marketplace facilitators that had fewer than 200 sales or less than \$100,000 of gross sales into La. for the prior or current calendar year, however once either of these sales thresholds are met, the filing and collection obligation begins.

Proposed law permits marketplace facilitators who do not meet either of the sales thresholds to voluntarily register with the commission for collection and filing of sales and use taxes.

Proposed law does not relieve marketplace facilitators from liability for failure to collect sales and use tax if the facilitator and the marketplace seller are affiliates, and the facilitator and the seller are considered to be affiliated if one entity owns more than 5% of the other entity or both entities are subject to the control of a common entity that owns more than 5% of each of the entities.

Proposed law provides for the administrative requirements of filing a monthly return and remitting tax collected to the commission.

Proposed law provides that marketplace sellers shall not be subject to audit for remote sales facilitated by the marketplace facilitator unless the facilitator is seeking relief from liability by asserting that it had insufficient information from the marketplace seller.

Proposed law prohibits class actions against marketplace facilitators even with respect to refund claims unless the marketplace facilitator intentionally collected sales and use tax on remote sales without regard to applicable state and local sales tax law.

Proposed law repeals the provision of law defining dealers to include persons who engage in regular or systematic solicitation of a consumer market in the taxing jurisdiction by the distribution of catalogs, periodicals, advertising fliers, or other advertising, or by means of print, radio or television media, by mail, telegraphy, telephone, computer data base, cable, optic, microwave, or other communication system.
